MUIR ON THE MOVE

Whether it was running for touchdowns or pounding the books — winning debates or campaigning for offices — Muir's student body set a fast tempo for '62. A new surge of school spirit united faculty, administration, and students as the campus underwent a face-lifting, and the football team marched to victory. This book is dedicated to these people and their accomplishments which exemplify the pace of 1962 — the pace of MUIR ON THE MOVE.

TO SIGN THIS. IT'S BETTER THAN TAKING THIS MISERABLE HISTORY FINAL ANYWAY, ITS BEEN FUN KNOWING SOMEONE THAT HAS A LOT OF MY LIKES & DISLIKES THIS YEAR. I KNOW WITH YOUR DEGERMINATION THAT YOU WILL REALLY GO PLACES IN THE FUTURE. BEST LUCK ALWAYS

MUIR ON

It is early morning. Echoing back and forth against the buildings are the cheers of a pep rally. The bell rings and hundreds of students rush to their lockers, mill through the halls, and hurry to classes. Lunch-time; and hungry Muirites throng to lunch; then dash back to classes.

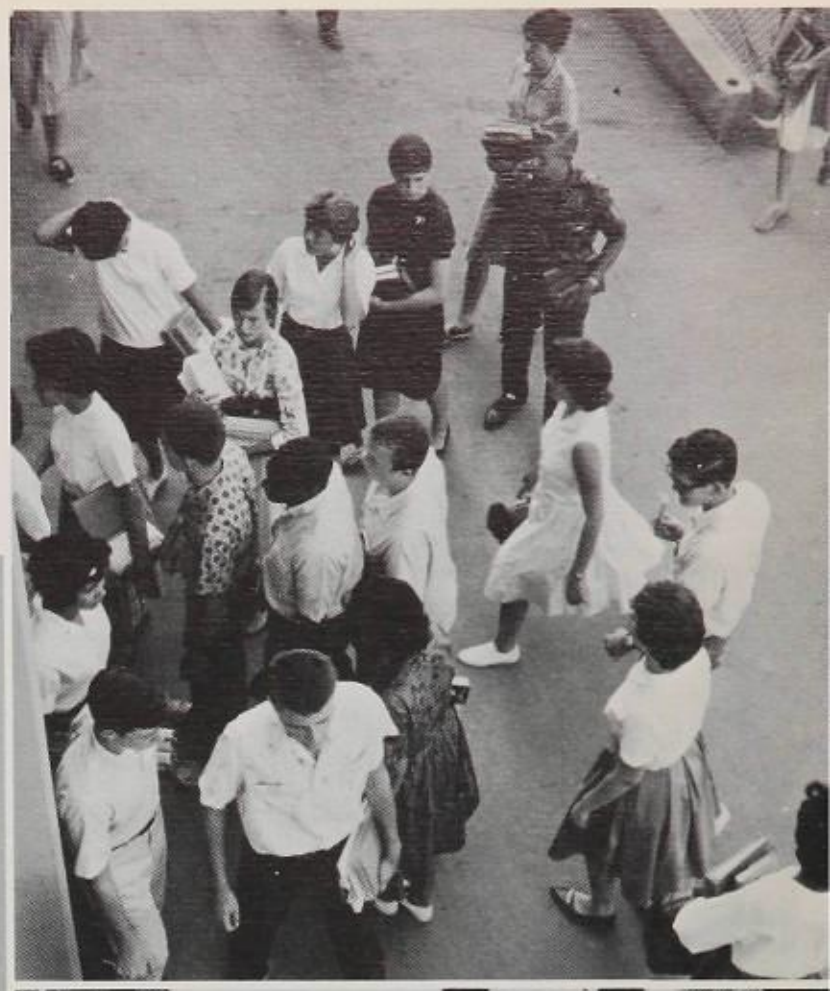
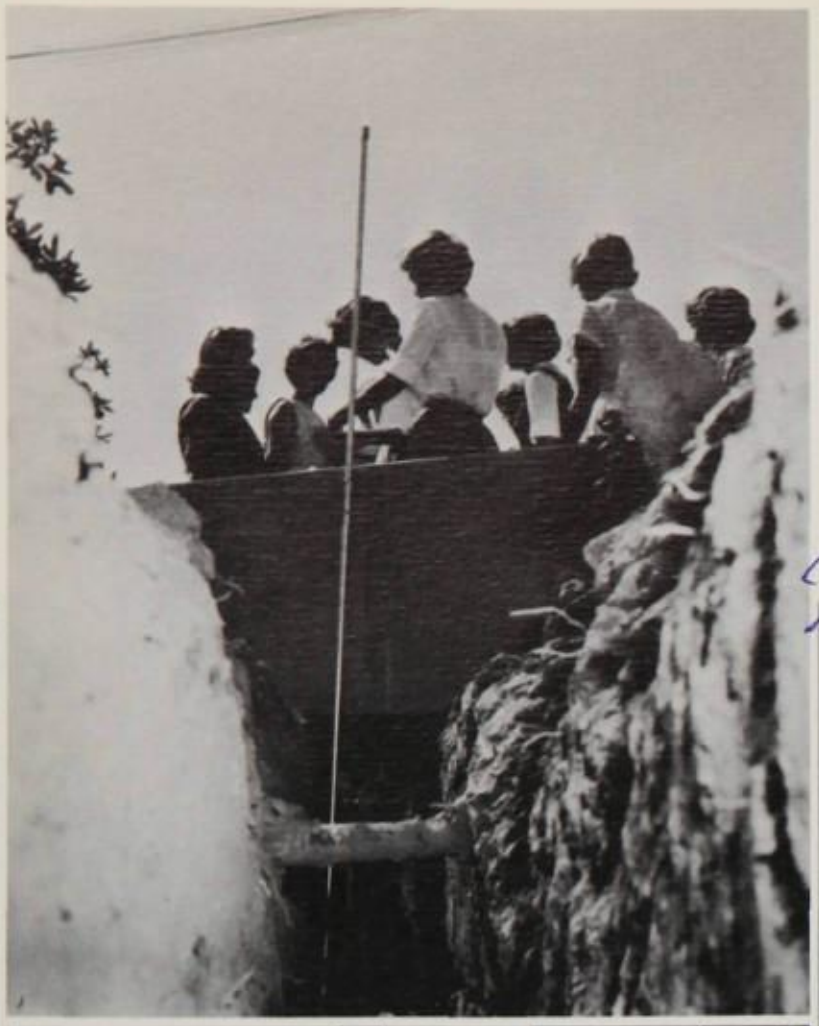
THE MOVE

After school, class representatives sound off in Student Government meetings; other students participate in one of the over thirty clubs and after-school activities. It is evening and the lights that are still burning bear witness to Muir's active student body.



TOWARD A NEW FACE



Out of the chaos of construction at Muir, the blueprinted dreams of over ten years took on an exciting reality. A modern gym, equipped with Olympic-sized swimming and diving pools, was erected. A long-awaited basketball court with seating for over 1400 people was also included in the new gym. The auditorium and cafeteria underwent reconstruction and strengthening, as well as redecoration and the addition of new stage equipment. A new wiring system was installed, providing better lighting throughout the school buildings. Muir can justly be proud of its now more beautiful, more functional than ever campus.

TOWARD ACTIVE CITIZENSHIP

As the Pasadena School Bands marched across the Rose Bowl, they spelled out the words, "Our American Heritage," a dramatic tribute to the increasing emphasis placed on the theme this year. The program found Muirites starting the day with the flag salute and increasing their appreciation of democracy through a comparative study of Communism and other forms of government. Citizenship took on added significance when a new student body constitution was instituted which paralleled more closely that of our federal government. The success of "Our American Heritage" reflected proof-positive that Muirites were on the move toward full-fledged citizenship in a democratic nation.

Martha —

What fun we have had in algebra this year, all those ridiculous questions which she answered when we were talking! I sure hope you don't entirely ruin Rob Forbes's life! You little DEVIL! Too bad we can't have Trig together, but "C'est la vie." Until I see you again, good luck & carry on . . .

ADMINISTRATION AND FACULTY

Leading the way for 3000 spirited students is no small task, but the administratvie staff at John Muir provided unlimited energy and insight into campus activities this year. Impetus was gained by the addition of a new vice-principal and a new counselor to Dr. Venable's staff. The strong leadership of the entire administration kept Muirites on the move toward worthwhile goals and accelerated their pride in being a member of Muir's student body.

ADMINISTRATIVE STAFF

DR. ROBERT E. JENKINS
Superintendent of Schools

The Pasadena City School System has acquired a reputation as one of the finest in California, and one of the foremost reasons for this success lies with Dr. Robert E. Jenkins and his four assistants: Miss Grace McFarland, Dr. Edgar C. Egly, Dr. E. Howard Floyd, and Mr. George W. Norene. The continuous improvement of our school system is their primary objective.

Of equal importance to the school system and its progress is the Board of Education. President Robert Freeman and the four members of the board: Mr. James M. Stivers, Mrs. LuVern La-Motte, Mr. Steve Salisian, and Mr. Walter T. Shatford II, working in conjunction with the superintendent and his staff, have pledged themselves to the goal of "Excellence in Education". The Board establishes general policies, governs the operation of the Pasadena City School System, approves courses of study, and chooses competent school personnel.

Assistant Superintendent for Business

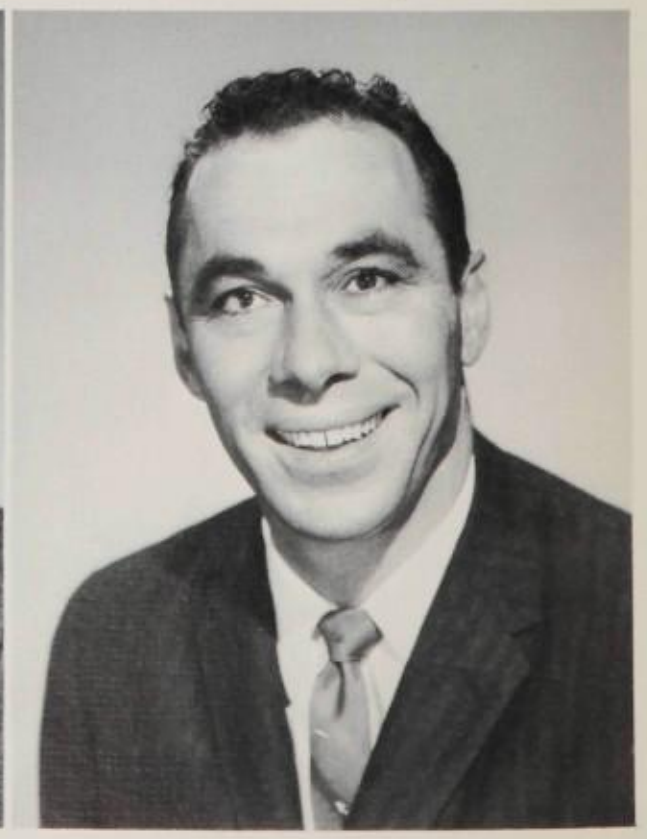
MR. DAVID BLAIR
Assistant Principal

MR. RICHARD CORDANO
Assistant Principal



MISS DORIS JOSEPHSON

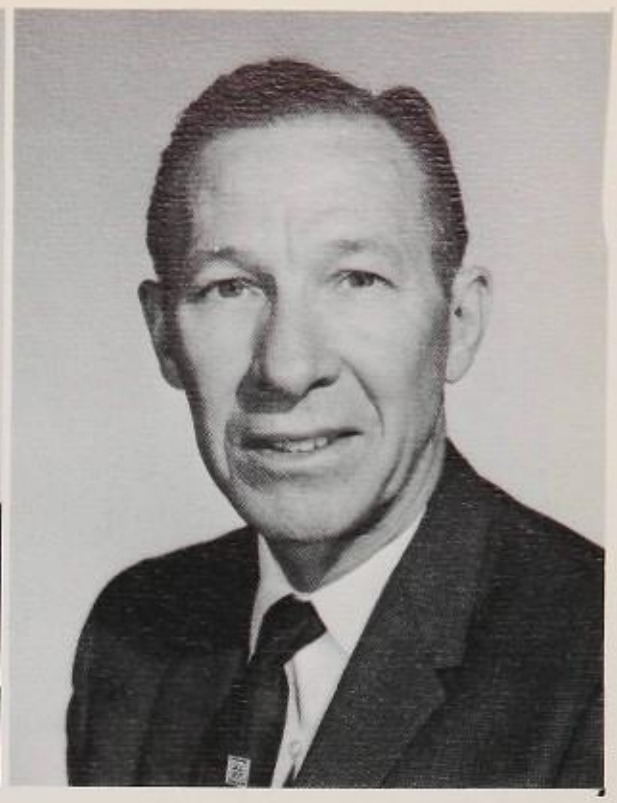
MR. ALLEN WEBB
Psychologist



MR. E. M. STONE
Registrar

Setting the pace for 1962 was a group of able and understanding administrators. Dr. John A. Venable, in his second year as principal, continued to provide strong leadership and guidance. Mr. David Blair, Mrs. Lorrayne Zeutzius, and Mr. Richard Cordano added their support to the administration in assistant principal positions. The face of Muir took on a new appearance as the auditorium and cafeteria were renovated, and a beautiful gymnasium began to take shape. New lighting systems throughout the main building brightened classrooms, and a new face was evident in the administration, Mr. Richard Cordano, who soon became a popular figure on campus.

A new policy, stressing American heritage, was introduced this year in the Pasadena School System. The program was quite evident at Muir, as each day opened with the flag salute, and American and Communist ideology were discussed and compared in history and social studies classes. Muir's record for excellence ranges from scholastic competition, such as the National Math Contest and the National Merit Scholarships, to athletics, where new records were set. The enthusiasm that marks Muir's administration ignites the spirit of the entire student body, and creates a strong desire to excel. An excellent faculty and administration such as Muir's produce a really great school.

MR. WILLIAM SIMMONS
12th Grade

In the student's senior year, he comes into frequent contact with his counselor. Preparation for advanced education or vocational training is the counselor's main objective during this year. A high school senior, on the threshold of college, is faced with many important decisions, and his need for guidance is great. The counselor helps him to make a wise choice of colleges and majors. Certainly the counselor is a student's best friend throughout his years at Muir.

COUNSELOR JOHN McSWEENEY lends valuable advice to a worried senior.

During a student's first two years at Muir, he comes to know his counselor well. The counselor is available for conferences concerning any difficulties the student might encounter. Those students who keep in contact with their counselor find a faithful ally who often solves seemingly insurmountable problems. Such things as transferring classes and programming are handled by the counselors. Their advice often saves students from the wrong choice of subjects.

MOVING AHEAD ACADEMICALLY

Muir's faculty is "on the move" in '62 with increased emphasis on academics. Muirites are enjoying new teaching methods, more honors classes are being offered, and new textbooks are being experimented with.

The Biology Department is participating in a nationwide trial of the Biological Sciences Curriculum Study, devised by the American Institute of Biological Sciences which represents 84,000 biologists. This new course stresses biology as a laboratory science, and places the emphasis on the molecular approach to biology at the high school level. Muir is one of the three hundred high schools participating in this program.

A new technique in the teaching of Plane Geometry, "Teaching Machines," is an innovation in the Mathematics Department. The material published by Encyclopedia Britannica Films, Inc., incorporates the principles of progressing at an individual rate, overt student activity, and immediate reinforcement. The E.B.F. material is a linear program of the completion type in which the student supplies the words or phrases necessary to complete the desired concept.

Team Teaching, a new approach to the teaching of Senior Social Studies was introduced this year also. The Senior Social Studies course includes units from Anthropology, Psychology, and Sociology. With this new plan students spend several days a week in lectures given by a teacher specializing in one of these three fields.

Muir has always been recognized for the outstanding honors courses offered. Among these are Literary Classics, Current Literature, World History, Calculus, and English Composition. Each of these courses is designed for the outstanding college preparatory student. Well-rounded and enthusiastic, Muir's faculty has set the Mustangs in motion in 1962.

LIBRARY STAFF

Muir's excellent library serves as a laboratory for enriching the classroom experience of every student. In the library are found 20,219 books, pamphlets and periodicals for reference use, for use in connection with class work, and for personal enjoyment.

Complementing the facilities of the library, the text-book room, which has 43,720 volumes, purchases, repairs, and issues all texts for classroom use. This office also issues films, tape recordings, records, and audio visual equipment.

ACTIVITIES

Muir's enthusiastic song girls symbolize the active participation of the student body in sports and activities. On the move toward a fuller development of school spirit and service, Muirites displayed their loyalty to the blue and gold as they supported their teams, cultural activities, and over thirty different on-campus clubs.

HOMECOMING QUEEN AND COURT

Miss Jana McFarland and her lovely court, which included Jan King, Doppy Diehl, Frances Sharp, and Galen Mueller, was selected by the Senior class as Homecoming Queen. After being crowned at the pep assembly by varsity football coach Don Hunt, Jana and her court ruled at Muir's 25-13 victory over Pasadena in the annual Muir-Pasadena game on November 17 at the Rose Bowl.

JOHN MUIR PEP SQUADS

Muir's vivacious pep squads added a dash of enthusiasm and color to Mustang sports events, ranging from football to swimming, in '62.

Muir's jaunty cheerleaders had a great deal to yell about this year. All teams had victorious seasons. The football team began the year with a triumphant flourish. Head cheerleader Allan Tingey, along with Dave Sato and Ted Bartlett, led avid Muir rooters as they rocked the stadiums with spirited yells.

THE SONG GIRLS Row 1: Mimi Pounders, Head Song Girl Peggi Browne, Ann Fleming. Row 2: Belinda Shigley, Gigi Goodner, Anne Skillion.

Rhythm, talent, and sparkle were effectively combined in Muir's sextet of Song Girls. The hard practice and originality of these girls paid off when they wowed rooters with their pranks. Their versatility was unbelievable: they appeared as everything from Varsity Football players to Muir's high-jumping, sharp-shooting, Basketball team. The girls, Gigi Goodner, Ann Fleming, Ann Skillion, Belinda Shigley, and Mimi Paunders, were coordinated by Head Song Girl Peggi Browne.

Marching with the mighty Mustang band were the lively Flag Girls: Anne Tollefson, Janet Norton, Nell Clark, Carol April, Frances Bishop, Jaryl Lane, Gretchen Heiman, and Head Flag Girl Lynne Van Swearingen. Their precision routines and half-time shows with the Band added unforgettable color to the Mustang's victories.

WHEN IT RAINS it pours; just ask these Flag Girls.

ASSEMBLIES

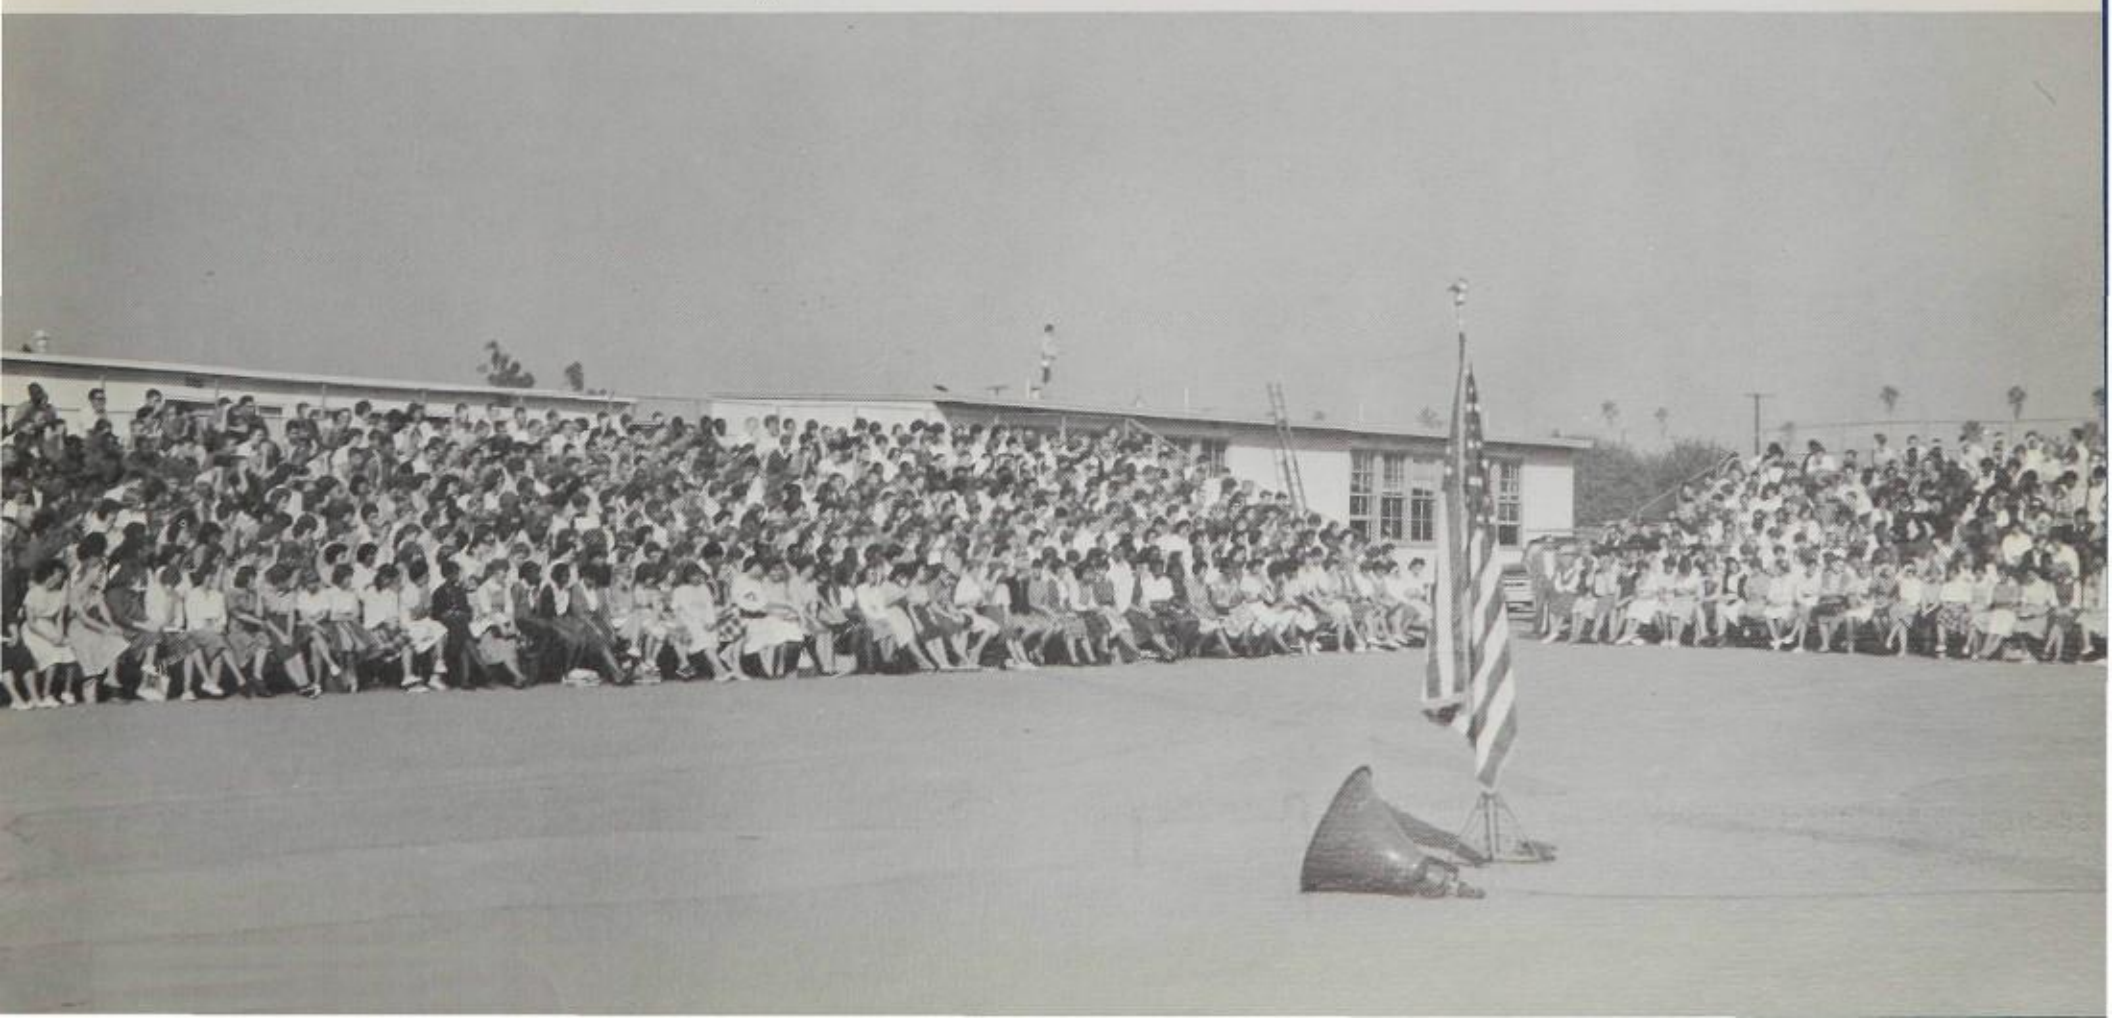
Despite the handicap of holding assemblies without an auditorium, Muir's outdoor assemblies once again provided entertaining and informative programs for the Student Body. Faculty advisor Gwen Holly Simpson worked together with Commissioners Adele Polifroni and Carol Boque to make this possible. Soon after the school year began, election assemblies for the incoming sophomores were held. An October assembly featured the first act of "Lute Song," presented as a night production by the Drama Department. The Reverend Bob Richards spoke at the Thanksgiving assembly, and the beautiful Christmas assembly set a religious note for the holidays. Singer Jean Durant and comedian-pianist Felix DeCola were also featured in first semester assemblies. The AFS assembly was presented in February, and Sue Irvine and Pierre Vibes spoke about their countries. Other second semester assemblies included the American Heritage Assembly with speaker Carl Terzian, and the Cal Tech Glee Club.

THE DYNAMIC REVEREND Bob Richards describes the thrill of Olympic competition at the Thanksgiving Assembly.

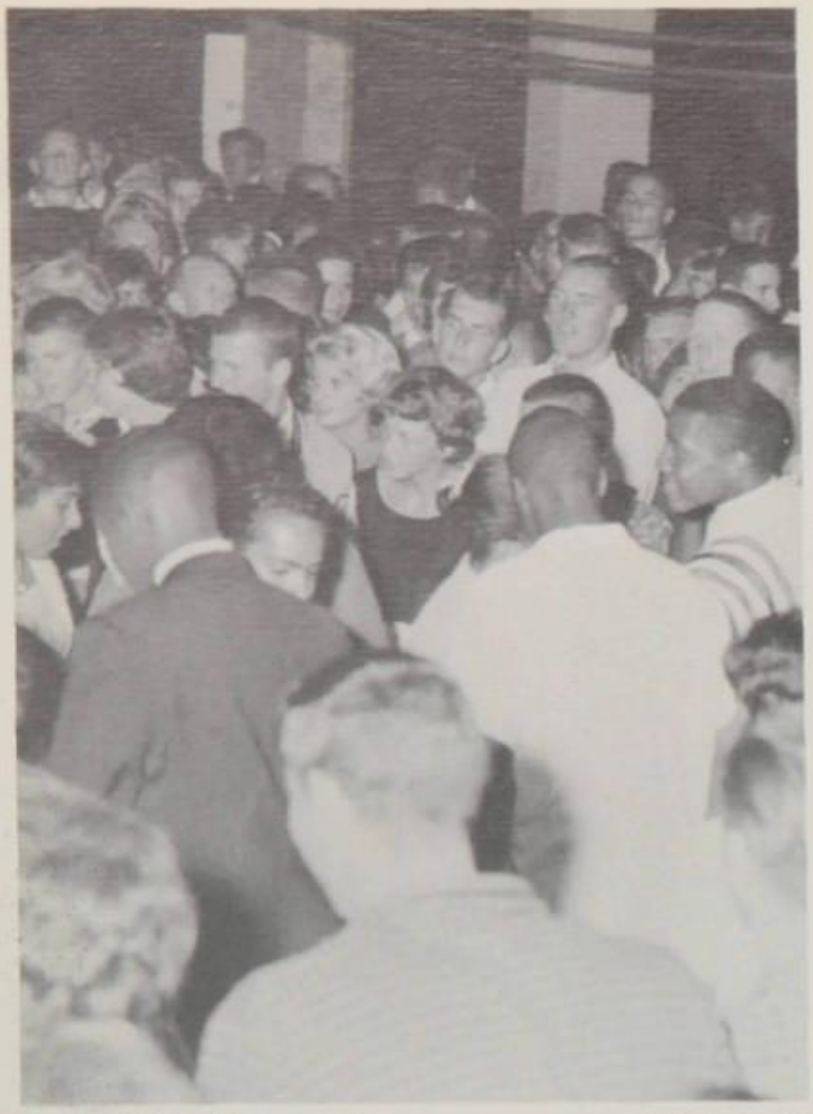
FELIX DE COLA shows the student body that anyone can play the piano as Alan Burks, ASB President, is demonstrating.

THE DRAMA DEPARTMENT made use of stunning costumes and oriental music in their presentation of the "Lute Song."

MUIR'S SCHOOL ASSEMBLIES, while the auditorium was being renovated, were held behind the library.



DANCES



THE HI-DAY DANCE was a casual affair held in the pergola, which turned into a very enjoyable evening for all present.

The Hi-day Dance, climax of Hi-day Week, was sponsored by the Junior Class. Since this was the first dance of the school year, students had a chance to greet old friends and meet new ones. The Christmas dance, "Mistletoe Magic," was a merry way to start off the Christmas vacation. This year the Girls' League initiated the Hush Day and Dance, at which Ted Bartlett was crowned Mr. Irresistible.

It was a grand occasion for Pam Wess and her court on February 16, night of the Sophomore Sweetheart Dance, entitled "Camelot." March 31 marked an exciting evening for the photogenic beauties of Muir at the "Shutterbug Shuffle." April 27 was "Some Enchanted Evening" for six Junior princesses and their reigning queen.

The most elegant dance of the entire year was the Senior Prom, aptly titled "Sayonara," at the Beverly Hilton Hotel on June 14. Gaiety attended this regal affair, yet sadness was there too; the seniors realized that as the dawn broke, their days at John Muir would end.

THE SOPHOMORE SWEETHEART Dance, held in February, was one of the most successful social events of the year. The girls' gym was turned into "Camelot Hall" for this occasion.

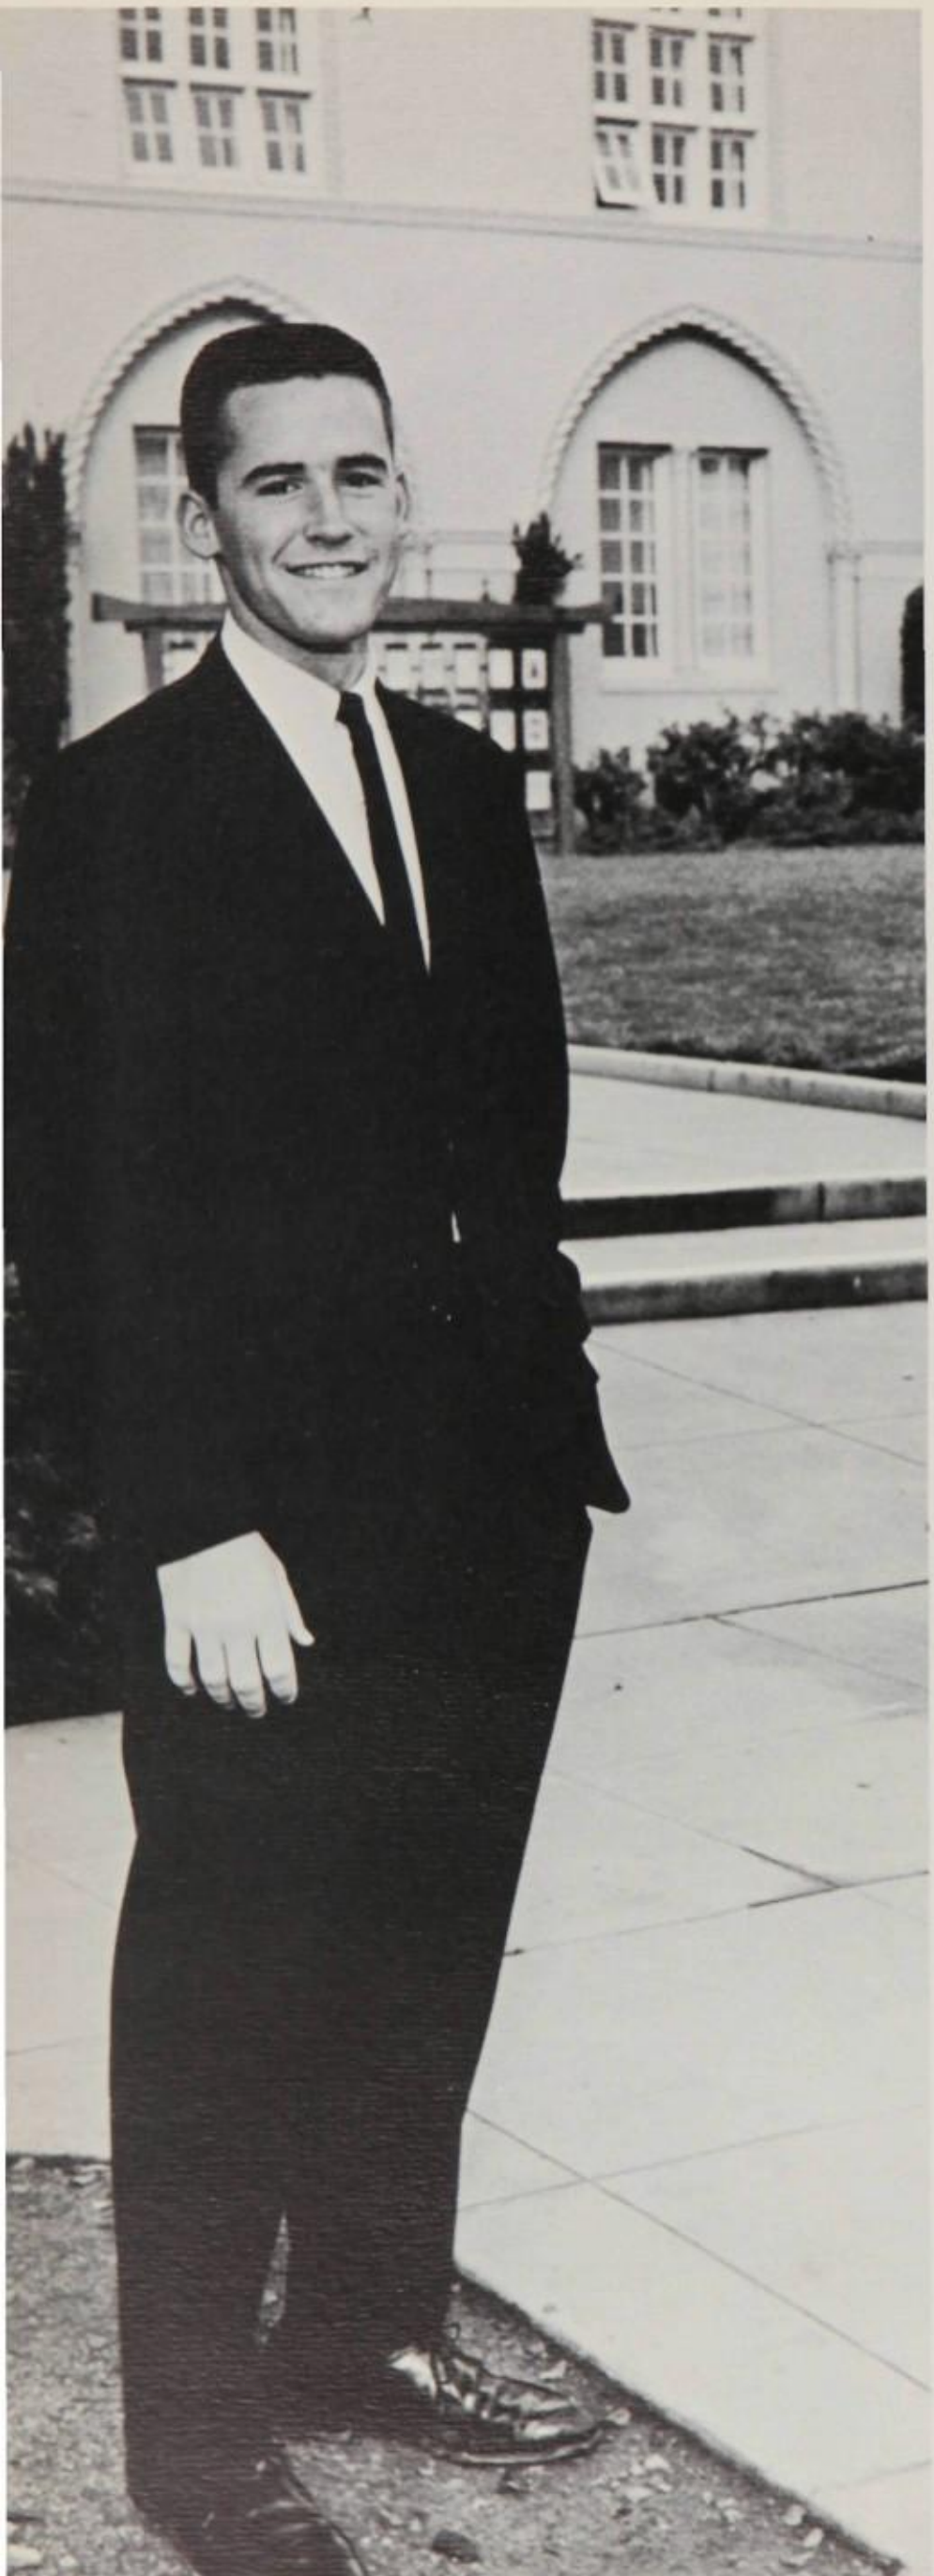
GOVERNMENT

The Student Government, under the direction of Kenneth Olson, is a vital part of life at Muir. The many activities of the student leaders elected by the student body both benefit the school and provide a learning experience in democratic processes. Cabinet meetings are held twice a week and students work diligently with the Administration to keep the government running smoothly. As the semester progresses, however, there is always the sense of accomplishment, and, finally, the grateful thanks from faculty and fellow students for a job well done.

Linda Gray



FALL A. S. B.

PRESIDENT

A good school is a combination of intelligent administration, excellent faculty, and a student body willing to achieve high scholastic standards.

A great school possesses all these qualities, and, in addition, a drive to excel and a boldness to overcome difficulties. The students see the value of working together not only in the classroom but in participation in sports and other extra-curricular activities. Our students and athletes have evidenced this in the honors they have won in many fields. In a sense, Muir's football team is a symbol of our desire to do the best and our pride that we have done it.

We, of the Fall Semester ASB Cabinet, thank you for the privilege of working with you, and hope that as our small legacy we have been able to contribute to the strength, unity, and ideals that make Muir a great school.

Alan Burke

SPRING A.S.B.

PRESIDENT

When we think of John Muir, there should be one connotation in our minds—that is opportunity.
Our American schools have a dual purpose: first, to educate our students academically; and second to develop worthwhile and useful citizens by creating wholesome personalities.

Muir's academic record speaks for itself. The fact that students received twelve National Merit Scholarships and twenty-nine Letters of Commendation is ample evidence of our academic achievements.
Equally important, however, is our striving to develop future citizens who will contribute their talents and be a benefit to our society.

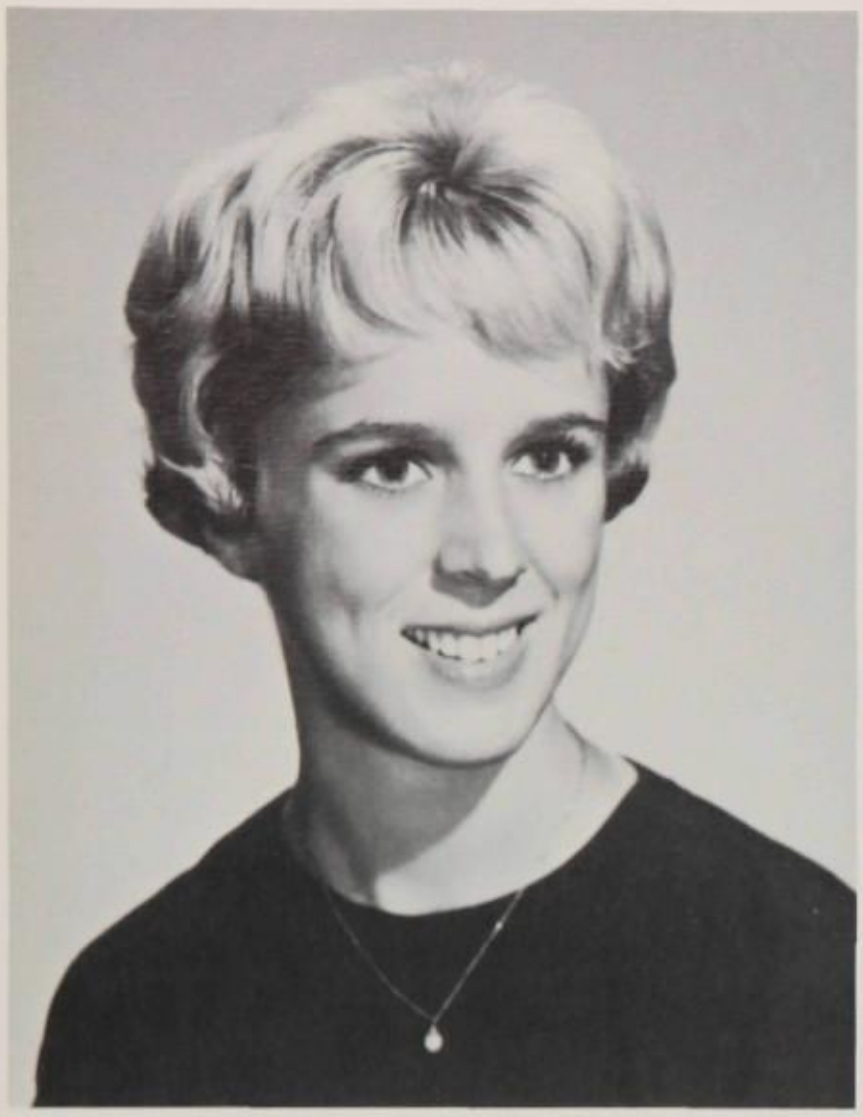
This is accomplished through our extra-curricular activities, student government, sports, and fine arts, and many other activities. All of these are a part of a vast learning process, and to deny ourselves of these opportunities is to stint our growth of practical experience. These are offered to anyone who will accept the challenge – in all fields of endeavor – so that he may have a wonderfully rewarding education.

As we are confronted with many decisions, hopes, and dreams, these aspirations will become realities only through a constant effort and desire to progress in our ever-changing world.

The challenges and the opportunities are ours; how we meet them and make use of them will determine the degree of our future success.

Thom Rhue

FALL A.S.B. OFFICERS



Vice-President JEAN KALBACH

The fall semester Cabinet began planning activities for the semester early in the summer. These included the Sophomore Orientation program and the sale of ASB cards. As the semester progressed, the accomplishments of the Cabinet mounted: bi-weekly editions of the *Blazer,* revisions of the activity sheet and file, adoption of a sportsmanship code, and many others. In addition, the Cabinet thoroughly discussed the proposed drill team, and established the ASB Constitution Committee, to prepare a constitution to be submitted to the student body for ratification.

In order to keep students informed of ASB activities open board meetings were held weekly, minutes distributed, and articles written for a *Blazer* column.

The members of the ASB Board were called upon to serve as officers of the Foothill League Forum, a legislative body made up of representatives from the seven Foothill League Schools.

With the election to office of the spring semester Cabinet came the extension of student awareness and participation in ASB activities. Many of the programs started first semester were continued. In addition, a Student Forum was held every two weeks to give students the opportunity to air their suggestions and criticisms directly to the Cabinet meetings.

Work on the new ASB Constitution was completed, the budget for next year was drafted in its preliminary form, and the final transactions for new band uniforms were completed. In addition, an orientation program was held for club and class treasurers, similar to instruction given to student secretaries first semester.

The Muir ASB Board was again asked to serve as officers of the Foothill League Forum to plan the annual F.L.F. Conference.

SENIOR CLASS OFFICERS

Fall President DAVE RUBARDT

The Class of '62 focused its activities and efforts this year on money raising projects. Under the leadership of Dave Rubardt, the Senior Class sponsored the traditional Mum sale for the Pasadena-Muir football game, as well as a pep button sale. In addition, the class sold school calendars with the year's important activities along with candid shots of campus life.

The highlight of the first semester was the selection and presentation of the Homecoming Queen Jana McFarlane and her court at the annual Tur-

key Tussel football rally. The 'Mistletoe Magic" dance held at Christmas time wound up the first semester activities.

Spring semester President John Benriter continued the drive to build up the class treasury. The money earned paid for the very successful Senior Prom held at the Beverly-Hilton Hotel on June 14 and the class gift to John Muir. Hard work and co-operation by the class officers and the individual members of the Senior Class made these traditional activities financially possible.

Spring President JOHN BENRITER

JUNIOR CLASS OFFICERS

Fall President JOHN McGRAIN

'62 was a year of great accomplishments and hard work for the Junior Class. Under the leadership of first semester President John McGrain, the class sponsored a Hi-Day Dance, to welcome the Sophomores, and conducted a record breaking candy sale. In addition, the class constitution was revised to enlarge membership on the class council to include *all* interested class members.

Setting a precedent, the Junior Class became the first of any Muir class to adopt a successful welfare project. This year members of the class volunteered their time and services to work with groups of mentally retarded children.

In addition to these weekly visits on Tuesday nights, the class sponsored three very successful parties for these children on Halloween, Christmas and Valentine's Days.

Spring semester President Bob Drysdale continued this fine welfare project. In addition, participation and interest in class actvities was stimulated among the juniors, through encouraging work on committees and attendance at class council meetings. The lightlight of second semester was the Junior Prom, held on April 2, at the San Marino Women's Club. The class presented its Queen, Miss Nancy Wess, to climax the "Enchanted Evening."

SOPHOMORE CLASS OFFICERS

President LARRY HEGLAR

New to the ways of high school, the Sophomore Class, led by President Larry Heglar, started the year with a bang by winning the coveted one hundred and fifty dollar award for selling the most student body cards. The class followed up this victory with numerous money raising sales. One of the most popular of these was the "Lick Pasadena" sucker sale. The money earned from these sales will go into the treasury for the class of 64's senior prom. First semester the cabinet and council worked diligently drawing up and revising the new class constitution.

Designed to allow as many girls as possible to participate, the activities of the Girls' League in '62 were unique in their originality and spark. First semester the League, under the direction of President Wendy Greene, and advisors Betty Armstrong and Lorrain Zeutzius, sponsored the traditional Mother-Daughter Banquet, Hush Day and the Hush Day Dance, the Powder Puff Derby and a pickle sale.

The spring Girls' League, led by President Linda Gray, planned the annual Father-Daughter Banquet, co-ordinated with Senior Adelphians, painted school trash cans for the clean-up campaign, collected clothes for the needy, and held several sales to make money for scholarships.

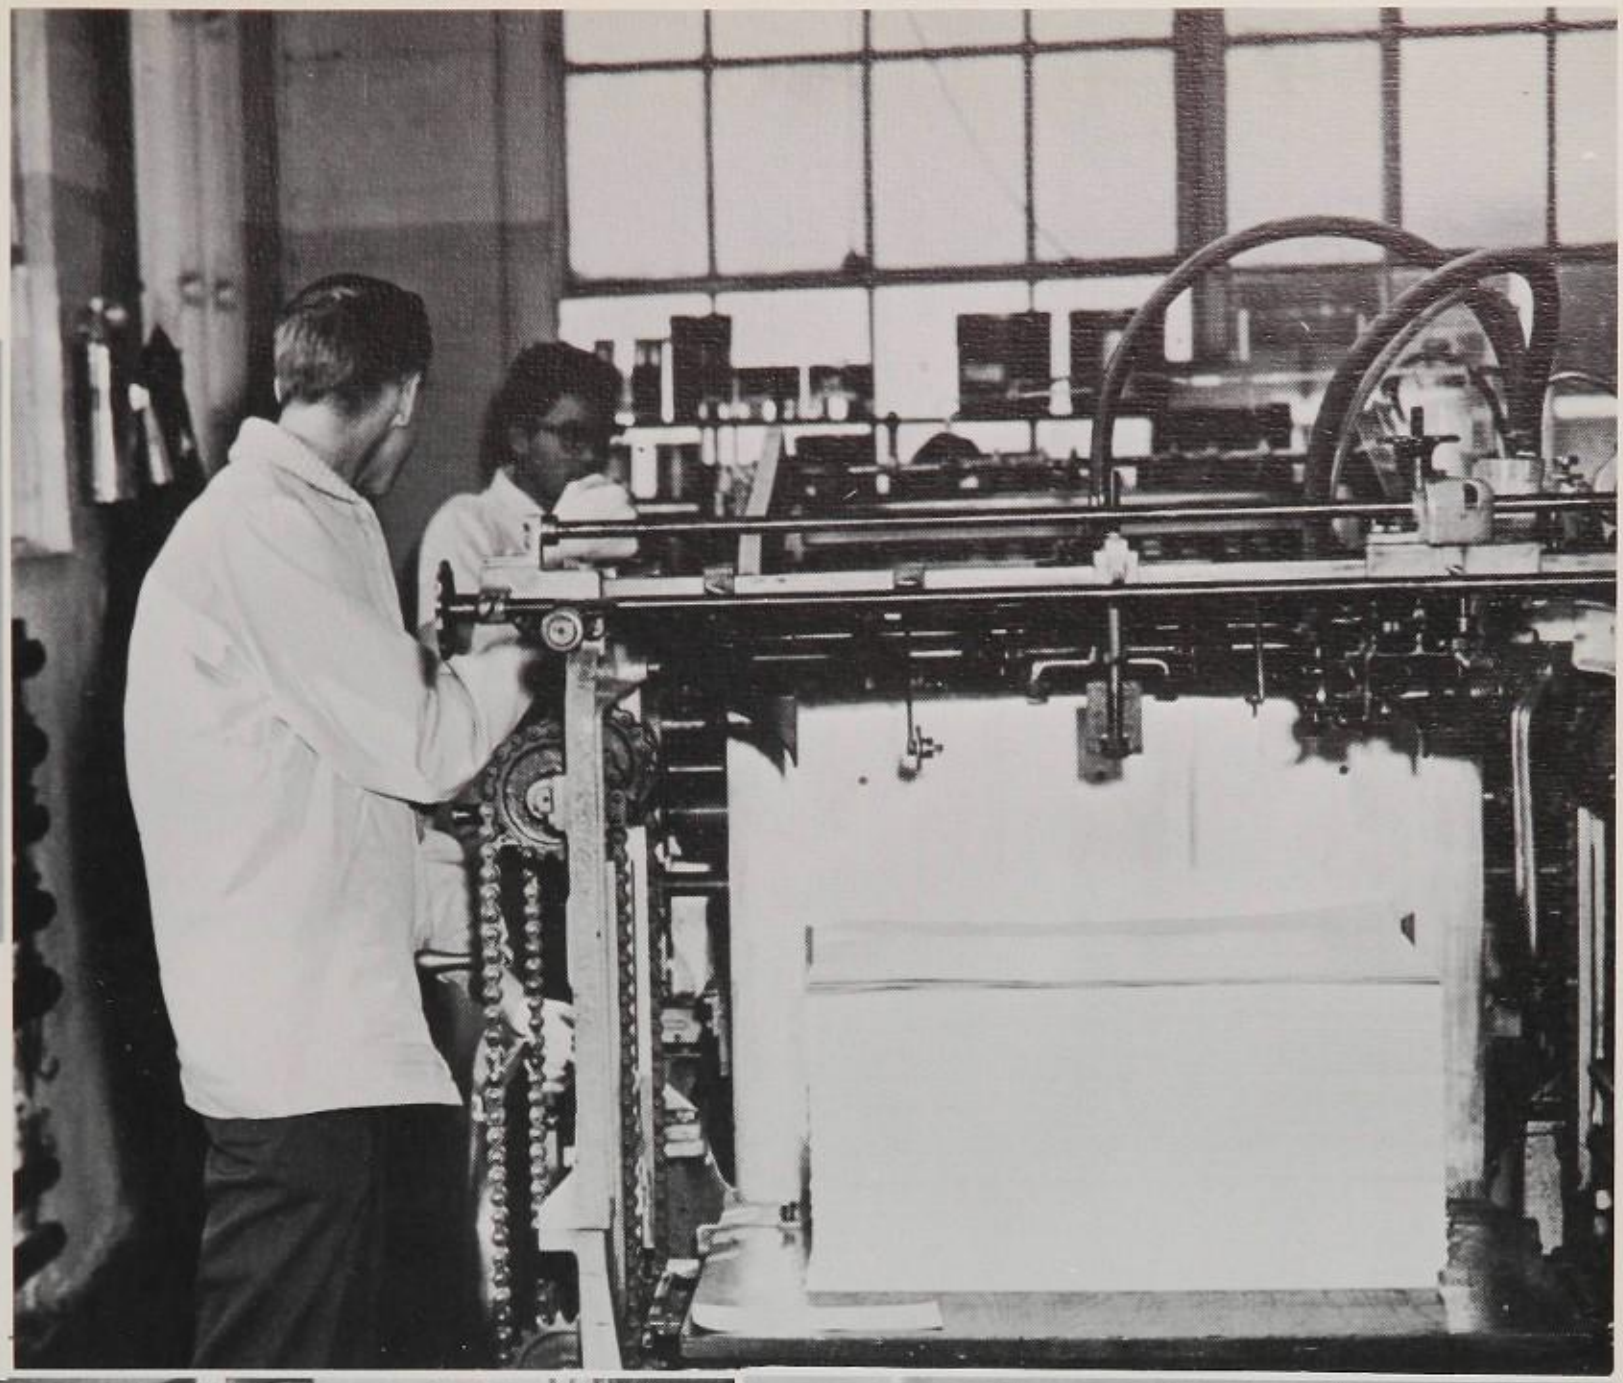
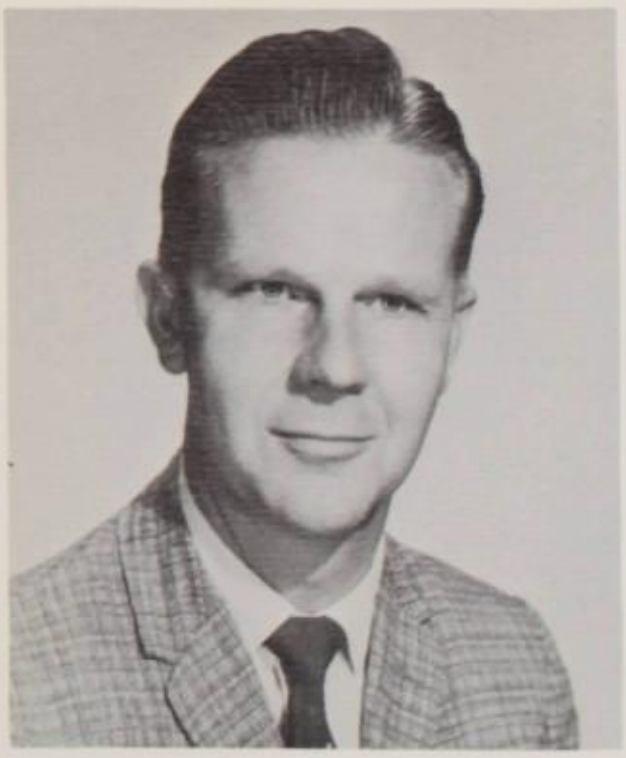
SPECIAL CLASSES

The pace of Muir in the making is seen in the spirit and enthusiasm of the special classes. Varying from Machine and Print Shops to the Yearbook Production and Newspaper these classes serve the student body and community. The national awards and honors won by these students reflect the high caliber of these activities at Muir.





Advisor DEAN BROWN

BAND

The Mighty Mustang band, led by Drum Major Dick Parker, and under the direction of Dean Brown, is always on hand at the many athletic events at Muir to add to the spirit. Mr. Brown is extremely proud of the award of commendation presented the band by the student body.

The Muir band, marching ninety-one strong this year, had added color and entertainment to the football games and many other activities during the year. Muirites are proud of the well trained unit which has been designated as the official Junior Rose Bowl Band.

BLAZER

Muir's All-American newspaper, the *Blazer,* was under the supervision of advisors Beverly Benson and Martin Wong this year. The Journalism II, photography, and printshop classes combined their efforts to produce this outstanding paper.

The staff produced this bi-monthly publication, which contains pertinent editorials, current school news, special features, and the popular sports section, under the leadership of the energetic and competent Editor-in-Chief Connie Kirby. Second in command of the All-American staff was Managing Editor Charlene Hudkins, who was responsible for all pictures, and News Editor Donna Stratman, who co-ordinated all news. Keith McCormick, Page Two Editor, was responsible for the editorial page and Janet Hamburg, Page Three Editor, for features. The Sport Staff was headed by Terry Park, who has enthusiastically covered Muir's Mighty Mustangs.

1962 has seen some new developments in the organization of the Blazer Staff. An Office Manager, Ed Broderick, was appointed to handle circulation, and a staff of photographers was made a part of the Blazer class.

CHOIR AND GLEE

Some of the most popular of the special classes offered at Muir are the Girls' and Boys' Glee Club, Girls' Chorus, A Cappella Choir, and the two special singing groups, the Melody Maids, and the Madrigal Singers.

An important part of the Music Department at Muir is a group of fifteen selected by audition from the A Cappella Choir who are interested in fourteenth and fifteenth century music. This traditional group called Madrigals performs for clubs and organizations throughout the community

Each fall juniors and seniors with extensive musical backgrounds and experience, enthusiastically audition for Muir's outstanding A Cappella Choir.

The Boys' Glee Club composed of thirty men, participated along with Girls' Chorus and the other musical groups in the Christmas and Spring concerts.

The Girls' Glee Club is composed of musically experienced juniors and seniors with an interest in choral singing. Nine singers are chosen each semester from the group for the Melody Maids. These girls perform for many community organizations. The Girls' Chorus is made up primarily of tenth grade students new to the music program at Muir.

ORCHESTRA

Muir's outstanding orchestra, under the direction of Dean Brown, has presented five euphonious recitals for parents and friends this year. The 56 piece orchestra has enthusiastically participated in the district and regional festivals, receiving superior rating at both. Outstanding members of the group took part in the All-City Music Festival held in March at the Civic Auditorium.

The orchestra is accomplished at playing all types of music, but especially enjoys Baroque, Romantic and modern compositions.

YEARBOOK PRODUCTIONS

The pace of Muir is predominant in the enthusiastic spirit and work of the 1962 *Hoofbeats* staff. Under the leadership of Editor-in-Chief Margaret Warne the staff organized, wrote copy, and layed out pages for the book.

Each member of the editorial staff worked diligently to make this the best *Hoofbeats* yet. Business-Managing Editor Julie Pauloo, co-ordinated the staff in their efforts to make deadlines and handled all business transactions. Hanna Wood, Layout Editor, put in many hours of doodling dummies and final layouts. Ordering the invaluable pictures for the Yearbook was the responsibility of Photo Editor Peggy Browne.

The tedious work of indexes was capably handled by Index Editor Pam Ellis. The Senior and Faculty sections were put together by Senior Editor Nancy Shellback. Copy Editor Dick Booth wrote pacemaking copy. The Sports section for Muir's victorious Mustangs was under the direction of Sports Editor Dee Edmeades.

The General Staff contributed in many ways to make the jobs of each editor easier. Each member participated cheerfully in the working atmosphere of the class.

ORGANIZATIONS

One hundred and eighty enthusiastic Muir senior girls, easily recognizable in their royal blue skirts and sweaters, manifested school pep and spirit as the "Big M." The newly organized "hand jive" patterns done by the girls with white gloves on, accented half-time pep activities, as the "Big M" appeared to come to life.

Back on campus, the service, pre-vocational and social clubs played a dual role. All three types of organizations combined numerous creative activities with beneficial service to the school and community. In addition, honorary groups gave recognition to outstanding service, and academic and leadership accomplishments. The coordinating body for these various organizations, the Inter-Club Council, initiated Club Opportunity Day to inform all students of club activities.

Z CLUB

An honorary service organization for girls, the John Muir Z Club, sponsored by the Pasadena Zonta Club, has displayed outstanding service on and off campus. This year's forty-three were chosen from the junior and senior classes for their scholastic achievement, school service, and leadership abilities. The club's activities included washing windows for the Boys' and Girls' Aid Society, ushering at school productions, selling donuts, and participating in other service functions. The girls are aided by their sponsors Laura Nelson and Esther Smith.

KEY CLUB

Sponsored by the Kiwanis Club, through their representative John Williams, the Key Club is dedicated to service on Muir's campus. This year's projects included the selling of football programs, cokes at basketball games, and the support of a Korean orphan. The members also painted benches for the Boys' and Girls' Aid Society, a joint service with Z Club.

Boys wishing to join the club must conform to rigid standards. Qualities of leadership and good character, as well as participation in extra-curricular activities and scholastic ability, must be demonstrated by each member.

SENIOR ADELPHIANS

Community and school service throughout the year, under the guidance of Sheran Reilly, is the goal of the Senior Adelphians. The dash of ghosts and goblins highlighted a Halloween party that the girls gave for the Rehabilitation Center of the Children's Hospital. The girls worked hard making pom pons to brighten up the "Big M" and were always glad to bake cookies for school activities and dances.

SENIOR ADELPHIANS KEEP busy on worthwhile project party held after school.

SENIOR ADELPHIAN OFFICERS: Carol Culberson, Kris Missall, Nancy Daudistel, Kathleen Flynn, Nancy Beall, Nell Clark, Jan King.

JUNIOR ADELPHIANS

The zeal invested in community and school service by the lively Junior Adelphians has made this organization a popular and worth-while experience for junior girls. The enjoyment and responsibilities they have had from decorating for the Letterman's Banquet, making tray favors for hospitals, and serving coffee for the PTA open house has made working together a valuable experience for the girls.

Advisor JEANNE THOMAS

SOPHOMORE ADELPHIANS

The enthusiastic Sophomore Adelphians, under Advisor Mildred Swenson, have served two semesters of school and community service. The girls began the year packing red feathers for the annual Community Chest Campaign. Their project parties were scheduled closer and closer together as Christmas approached, Among their many projects were making scrap books for the Cerebral Palsy Home in Altadena, cutting circles of construction paper for children at an orphanage, and making Christmas candle holders for All-Saints Episcopal Church. The spirit of this group, and the many services it does for the school and the community have made it one of the most popular clubs on campus for Sophomore girls.

FUTURE BUSINESS LEADERS OF AMERICA

The John Muir chapter of FBLA was proud to have been a co-host for the State Convention of the Future Business Leaders of America along with Pasadena High School. The club, under the direction of Joel Constance and John Eikenberry sponsored several discussion groups and field trips. President Michele Whinery is enthusiastic about the club participation in many of the business conventions.

FUTURE TEACHERS

Students anticipating a career in education are encouraged to join the Future Teachers of America. Members gain an understanding of the qualifications and opportunities in this field through varied social and professional programs. This year under the supervision of Keith McKay and Marilyn Hussy the club went on many field trips. They also sent representatives to a conference at the University of Southern California on Opportunities in Education, as well as to a recruitment conference in Los Angeles sponsored by the California Teachers' Association.

FUTURE TEACHER MEMBERS carry on a lively discussion with their Advisors Keith McKay and Marilyn Hussy.

FUTURE ENGINEERS

The Future Engineers, under the direction of William Ansite and John Stanton, offers students the chance to enlarge their scope of knowledge in the engineering fields. Members are selected on the basis of recommendations by their science and mathematics teachers.

Each meeting a program, consisting of a film or speaker was presented to the club. The Club also sponsored a sale to pay for educational and interesting field trips, such as the visit to Moseley Electronics Corporation.

JUNIOR ENGINEERING AND TECHNICAL SOCIETY

The Muir chapter of the national organization Junior Engineering and Technical Society gave club members the opportunity to preview the engineering profession and to prepare for a career in this field. The high point this year of the JETS program was the work done by members on individual projects. Each student developed an original project, and the other members of the club appraised and evaluated his progress.

DIPNOANS

The distinctive name of this skin diving club was taken from the dipnoan, a lungfish. The purpose of Dipnoans is to give the members enough knowledge of themselves, of the sea, and of diving equipment so that they can enjoy one of the world's newest and most attractive sports, SCUBA diving. Both boys and coeds enjoyed the club's varied informative programs: diving trips, films, guest speakers, equipment shows, and pool sessions directed by Advisor Walter Culbertson.

FOREIGN LANGUAGE CLUB

Cultivating interests in foreign lands, languages and cultures, the Foreign Language Club continued to be one of the most active social clubs. Movies, A.F.S. speakers, parties, and excursions highlighted the club's activities. On Halloween a very successful candied apple sale was given, as well as the tradition ice cream cup sale in the spring. The club newspaper, the *Interlingua,* kept students up-to-date, on club activities, featuring bilingual articles.

FORENSICS

Muir's outstanding Forensics League again brought honor to John Muir when they captured several trophies and many awards of excellence. One of the Forensics members, Betty Betts, earned the privilege of speaking in the California State Finals.

The thirty-five Forensics members developed their speaking techniques under the excellent supervision of Roy Atwater. The members are divided into three categories: novice (beginners), "B" (middle division), and "A" (excellent speakers). Since the purpose of the Forensics League is to stimulate individual excellence in oratorical speaking and debate, the representatives of all three groups compete in tournaments.

GIRLS' ATHLETIC ASSOCIATION

Joining together to participate in their favorite athletic activity and promoting good sportsmanship, are the main goals of the Girls' Athletic Association. The 200 members participated in many activities this year, including the presentation of a Christmas party for the Small Family and the annual GAA awards banquet. Many of the enthusiastic members participated in playdays with girls from other Foothill League Schools. This year Muir was very honored to have been selected as Treasurer of the Girls' Athletic Federation.

HI-Y

The Hi-Y Club, an organization for boys, is affiliated with the YMCA, and directed on the Muir campus by J. L. Talps. The Club held meetings at the Pasadena Y, using the gymnasium and recreational facilities. In addition, the Club stressed useful projects and service, plus a wide variety of social activities. A highlight of the year was the entertainment by Hi-Y members of patients at the Aldrich Sanitarium.

HUMAN RELATIONS CLUB

Although it was established only last year, the Human Relations Club boasted over seventy active members who worked together to promote inter-cultural and inter-religious understanding.

Advised by Walter Warren, the Club presented a series of panel discussions on the world's religions, introducing members to such diverse faiths as Buddhism, Judaism, and Catholicism; and a discussion with the Human Relations Panel of Occidental College.

HUMAN RELATIONS CLUB Officers: Howard Traylor, Elea Gray, Adele Polifroni, President Tom Rhue, Ted Bartlett.

THESPIAN

The Thespians, under Advisor Gwen Holly Simpson, had one of their most active seasons since the club was organized. In addition to work on the fall and spring plays, the Experimental Theatre — a workshop in experimntal types of production and participation in local festivals, the Thespians worked diligently to earn money to finance a trip to Indiana in June. Through numerous sales, a benefit show by Felix de Cola, and other unique activities, the Thespians were able to send a delegation to the National Conference of Dramatic Arts at the University of Indiana. As representatives of John Muir, the Thespians were one of a few select high school Thespian Societies out of 2,200 eligible groups to be invited to this Conference.

SHUTTERBUGS

The Shutterbug Club is a campus organization for students interested in photography. The club featured a wide variety of activities this year, including a cake sale, field trips to Pacific Ocean Park and a number of Hollywood movie studios, as well as the annual Shutterbug Shuffle. This dance is the scene of the crowning of Miss Shutterbug, the most photogenic girl at Muir. Members have access to the photo lab every Wednesday when the club meets.

TRI-M

Developing musical appreciation and providing greater opportunities for musical expression are the main goals of Tri-M, the Modern Music Masters. This National Music Honor Society, under the guidance of Advisor Dean Brown and President Vicky Taylor, devotes many well-spent hours to the musical fields.

To celebrate Christmas the Club's twenty-eight members held a yuletide party. The Club also sponsored the sale of band and orchestra records, and service-minded members ushered for the band and orchestra recitals.

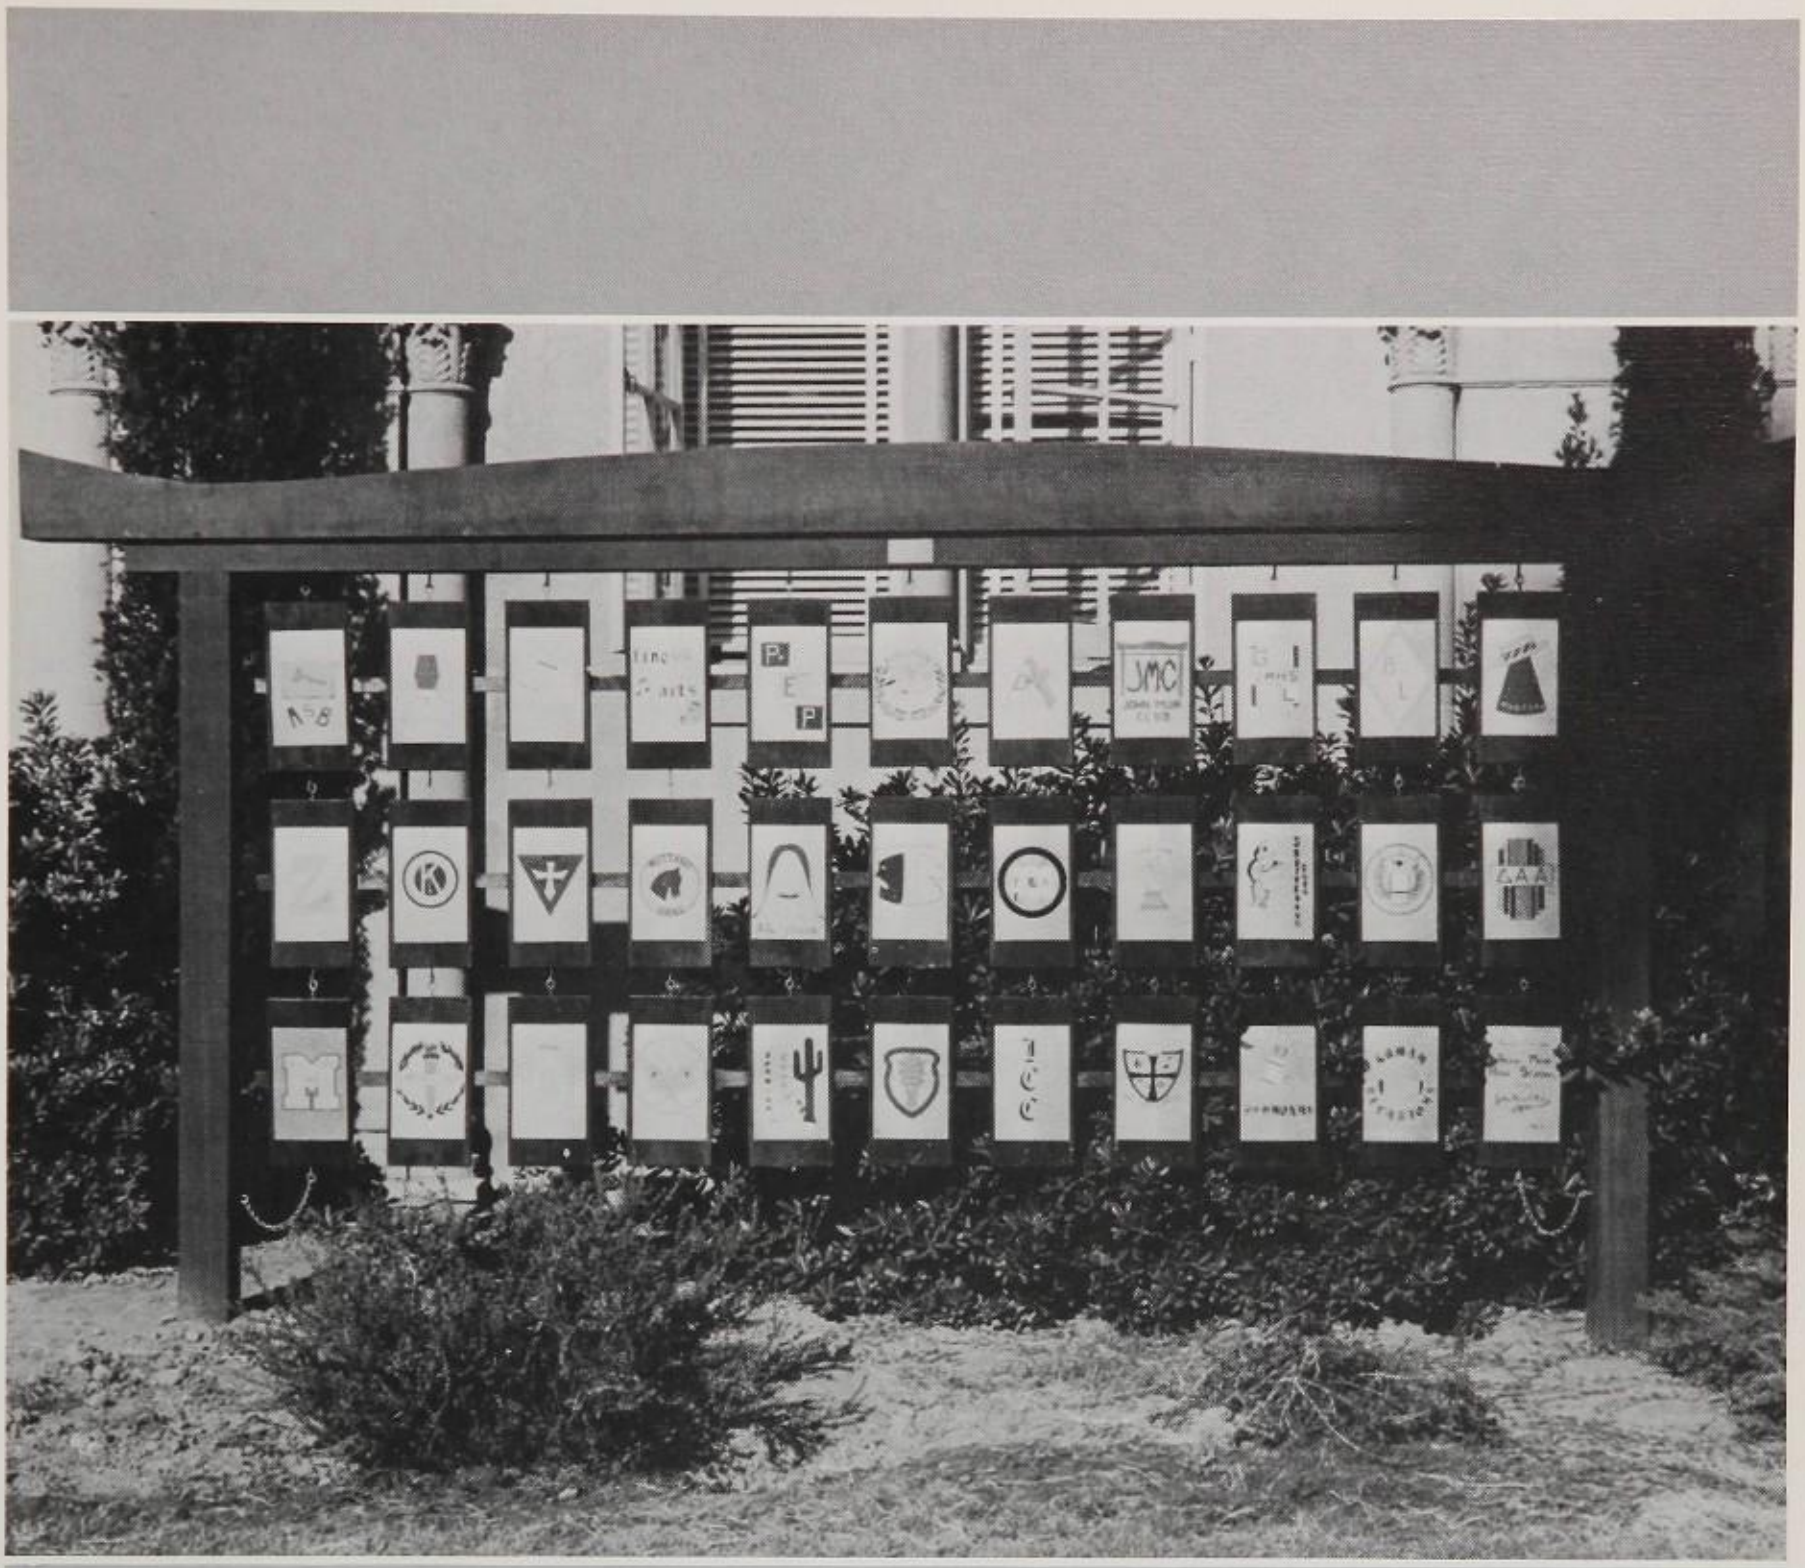
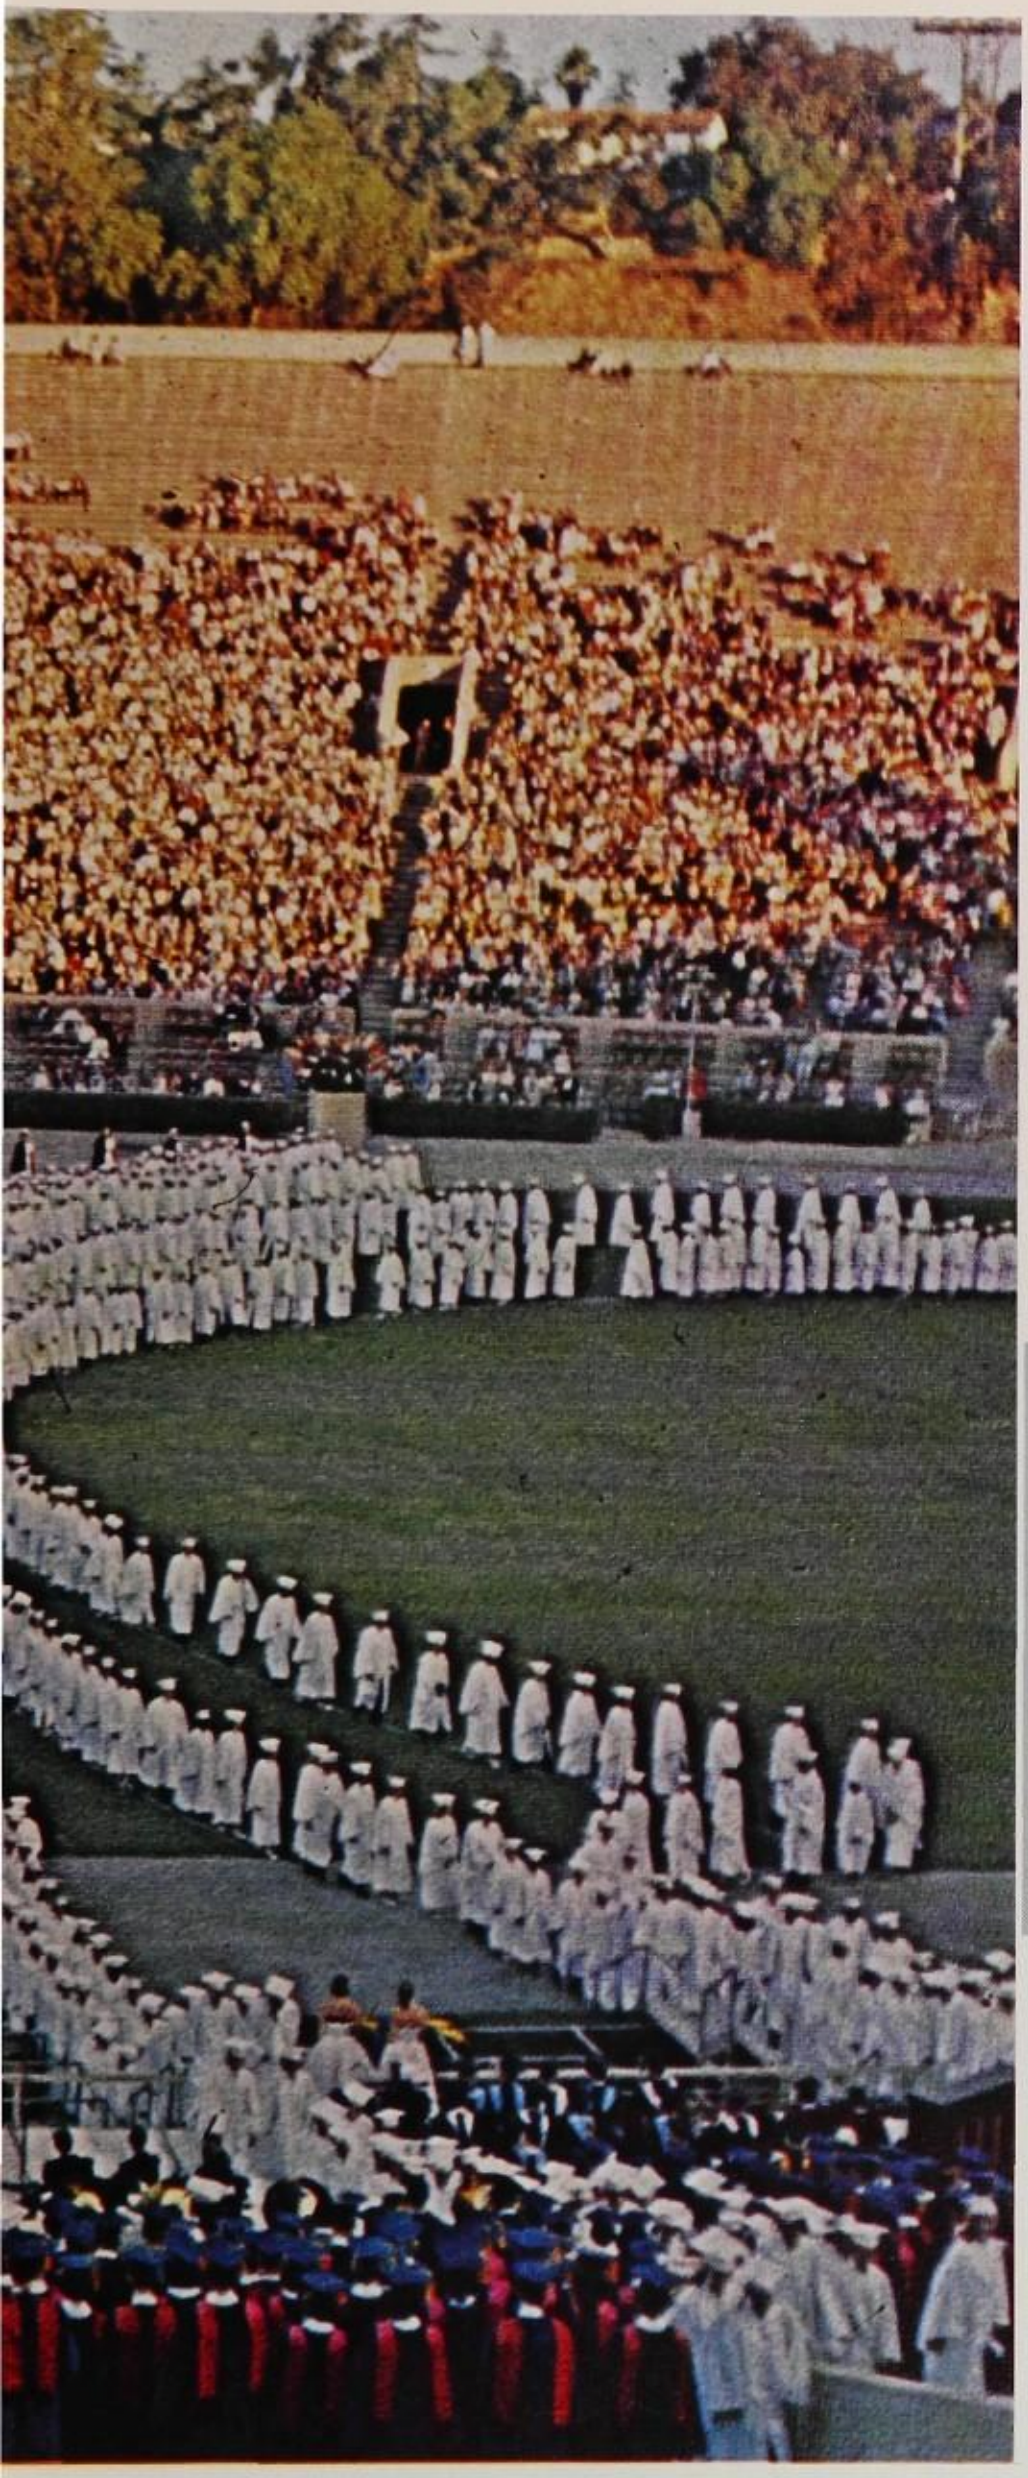
TORII GATE



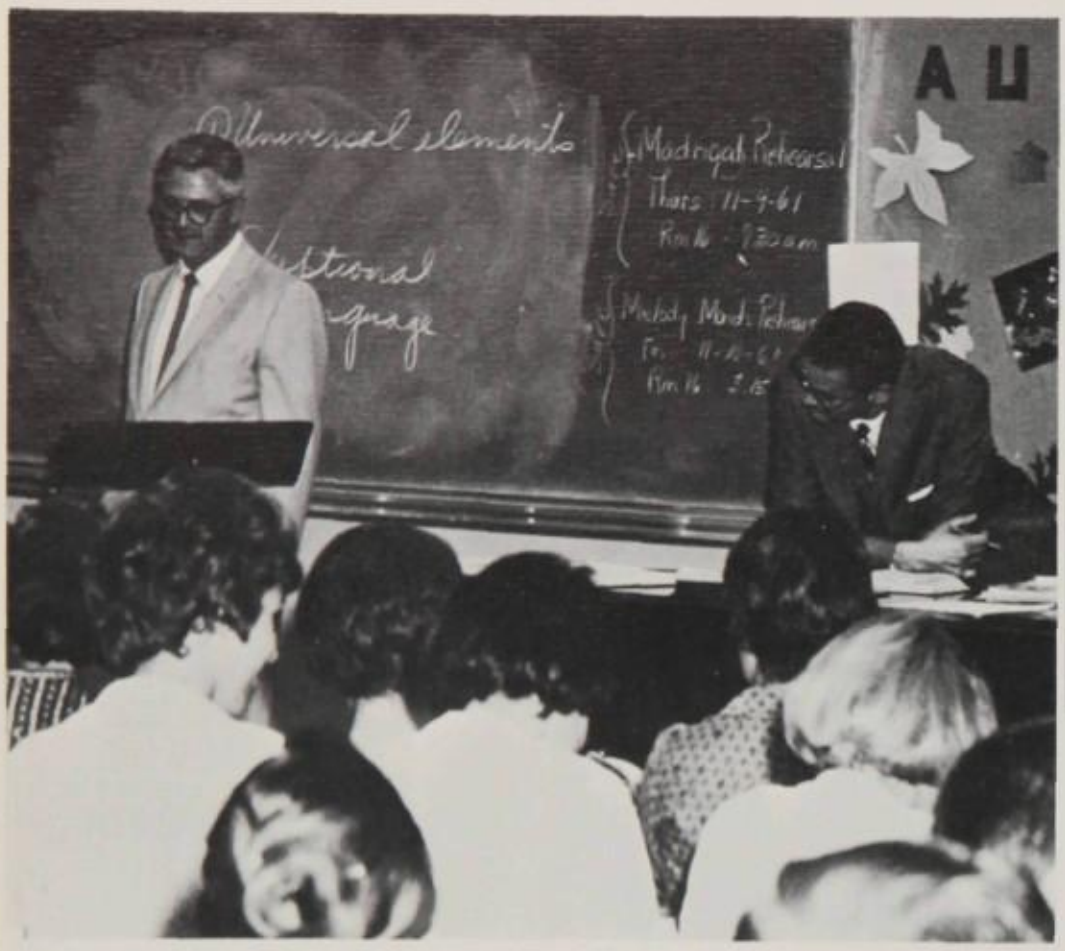
Erected in front of school last May, the Torii Gate presents the emblems of thirty-three campus organizations to the visitor to Muir. The Gate, enthusiastically received by Muir students, was designed and coordinated by the John Muir Club. The Japanese-like structure, constructed of redwood, symbolizes the spirit of activity, service and honor on our campus.



SENIORS

As the class of '62 moves on, they take with them memories of days spent watching "Muir on the Move." They viewed their school advance at a steady pace, but today it is their turn and they move onward to the greater responsibilities of life.

CLASS OF '62



The sharing of common experiences with classmates is a vital part of campus life . . . and such simple things as studying on the lawn or waiting in line to see a counselor become bittersweet as commencement approaches.

MOST LIKELY TO SUCCEED
Patricia Dolan

MOST LIKELY TO SUCCEED
Alan Burks

Each year it has been a tradition for the seniors to elect the members of their class who are outstanding in various areas. The race was close this year, in 1962 . . .

Chief Justice of the Student Court PATRICIA DOLAN and first semester Student Body President ALAN BURKS were elected Most Likely To Succeed. Both have participated actively in their student government all three years at Muir. Pat was elected to "Z," an honorary girls' club, Junior Queen, and has participated actively in numerous other school activities. Alan served as Junior Class President, Fall Semester ASB President, and was elected to Key, an honorary boys' club.

There's always lively conversation and a "Hey, you there!" when these two Personality Pluses, SANDI BENNET and DAVID SATO, are around. As a member of the Big "M" Sandi taught the hand jives, and has also participated vivaciously in the student government and clubs. Cheerleader Sato, as he is known, participates enthusiastically in student government, on the Red Cross Council, and in Basketball.

Best All Around were won by CAROL BARTOLI and JOHN MASON. Carol served as Pep Commissioner in the first semester of her senior year, vigorously backing Muir's victorious Mustangs. She also participated actively in the student government, Civil Affairs Commission, Adelphians, and was elected to "Z" Club, a honorary girls' club. John, outstanding in sports, has helped Muir's Football, Basketball, and Baseball teams on to victory.

SENIOR AWARDS

Each year at Muir seniors receive awards in recognition of their scholarship and service. Some of these awards which are given by organizations such as the Elk's Leadership Award are judged on not only scholastic achievements, but on participation in extra-curricular activities and leadership ability. The Good Citizen Award, given by the Daughters of the American Revolution, has many of the same requirements. The Betty Crocker Gold Thimble Award is presented for proficiency in sewing. Boy's and Girl's State participants were recommended by their counselors for the honor, of attending the conferences at the University of California at Davis and Sacramento. The requirements were an interest in government, scholastic achievement and good citizenship.

CSF Sealbearers are seniors who have been members of the California Scholarship Federation for four semesters. The National Merit Scholarship semi-finalists were chosen on the basis of their National Merit Test scores. The students having four-point averages maintained straight A's during all three years at Muir.

ADVISORY COUNCIL

The Advisory Council, composed of representatives from all campus groups, was a highly influential organization this year. These twenty-one students discussed student recommendations with Dr. John A. Venable, made suggestions to the faculty and ASB cabinet, and sponsored such activities as clean-up drives and dress codes. Five of the positions on the Council were filled by the ASB President, the Boys' and Girls' League President, the I.C.C. President, and the Publications Commissioner. The other members represented a cross-section of student opinion.

AMERICAN FIELD SERVICE

American Field Service has always been a tradition at Muir, but it has seldom seen a more successful year. During the summer, Thom Rhue was sent to Bavaria to live with a German family. In September Sue Irvine came from New Zealand and Pierre Vibes from France to spend a year in a "typical American high school."

To raise money for these and other AFS exchanges, Muir's ASB Board climaxed AFS week in February with a donkeyback basketball game in the atrium between the faculty and students. Assemblies featured Pierre's and Sue's reflections on life in their adopted country and a trans-Atlantic telephone call to Thom's German "family" of last summer. The purpose of the program is to develop international friendship through the exchange of high school students.

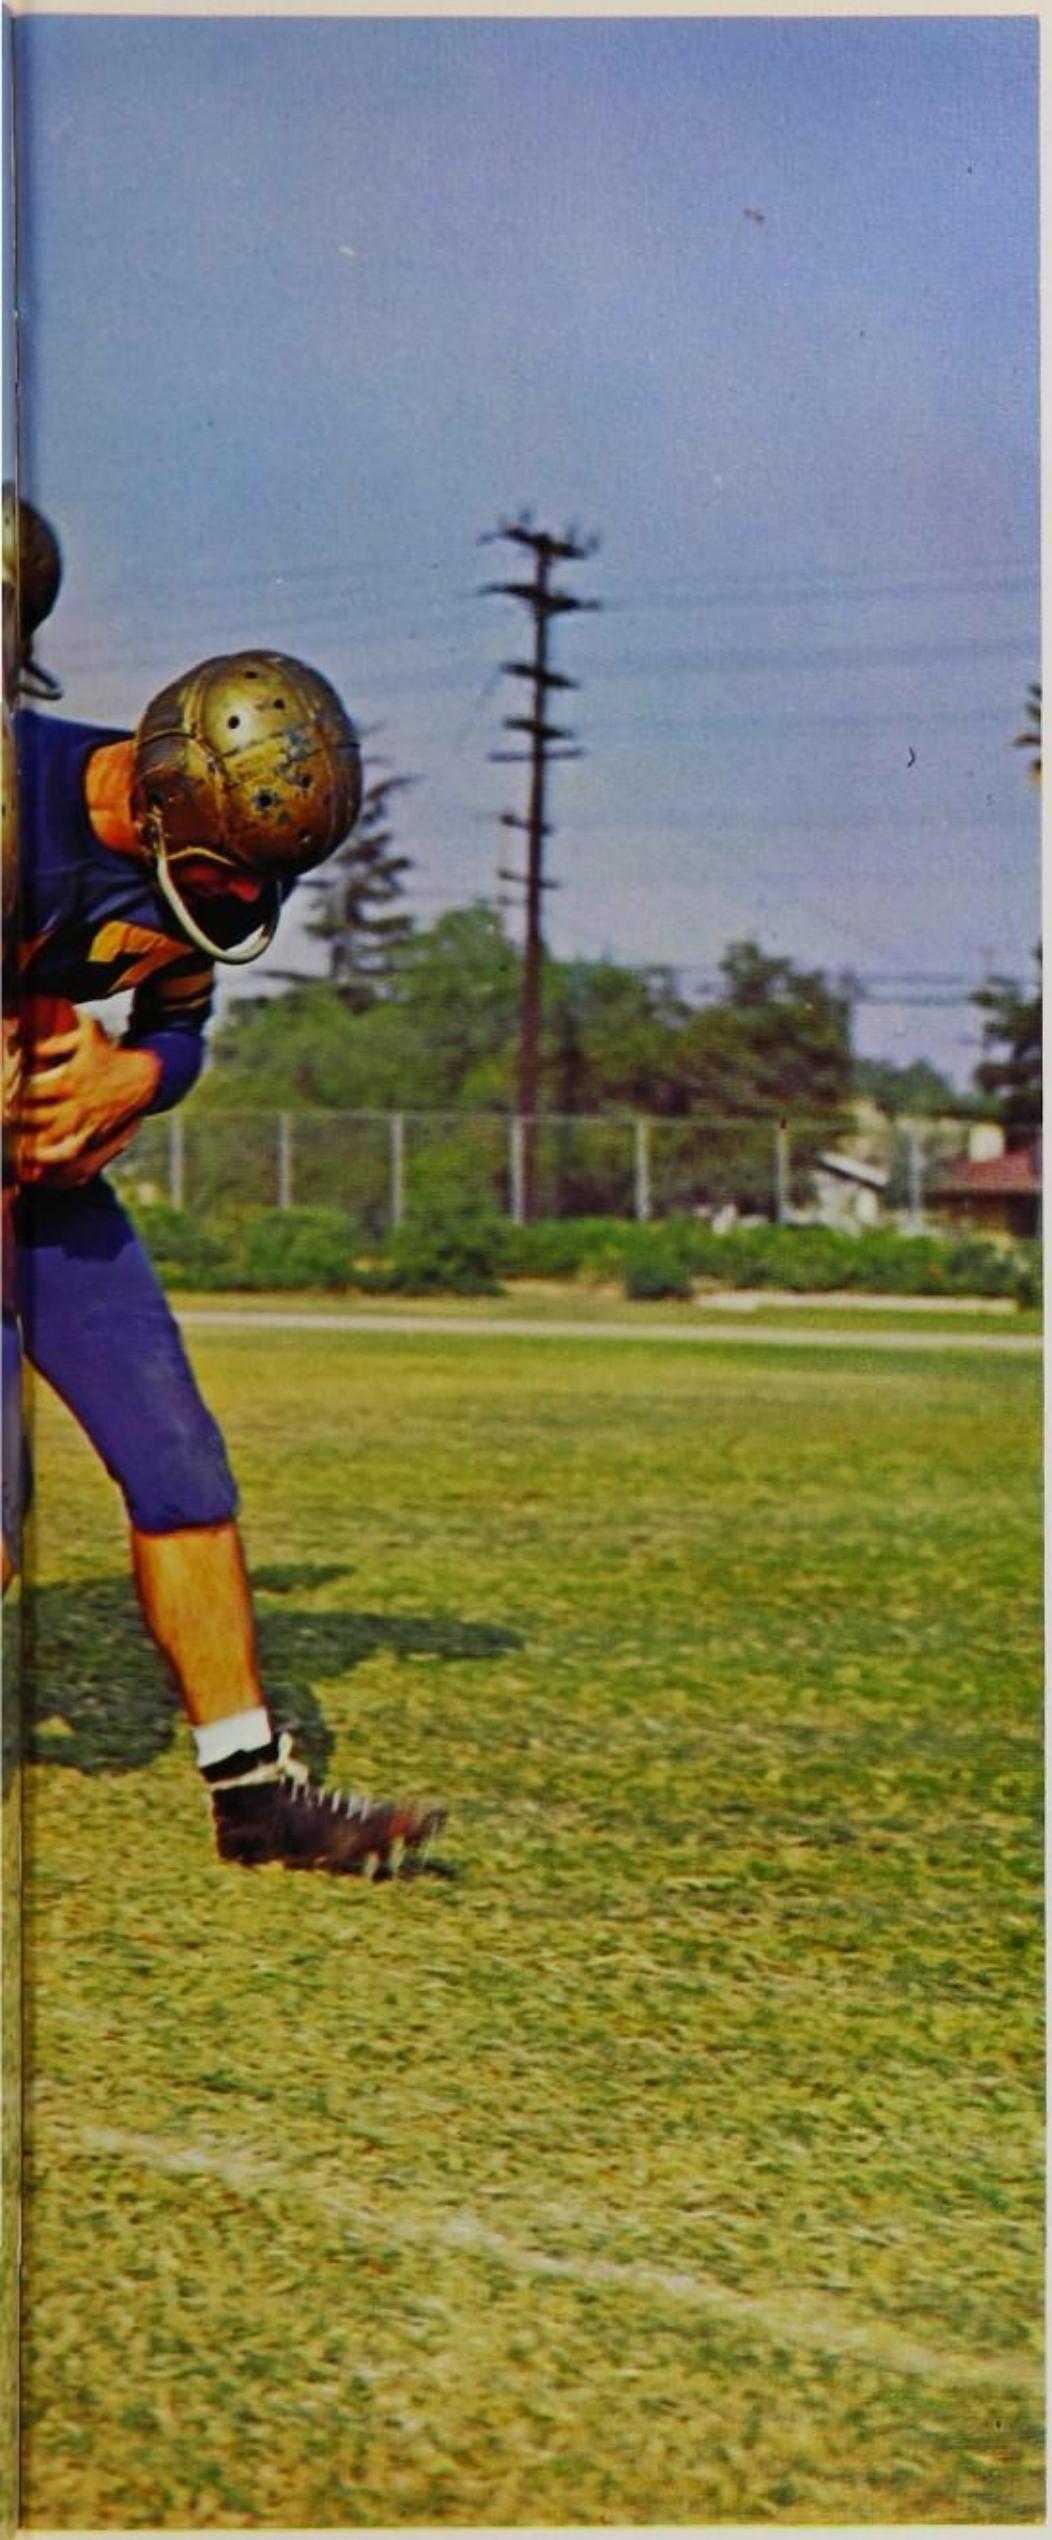
SENIOR MEMORIES

Tradition, excitement, and spirit have colored our year at Muir. We will never forget the thrill and suspense of the Homecoming Queen's presentation or the victory bell's tolling of our triumph over Pasadena which cinched the Foothill League title.

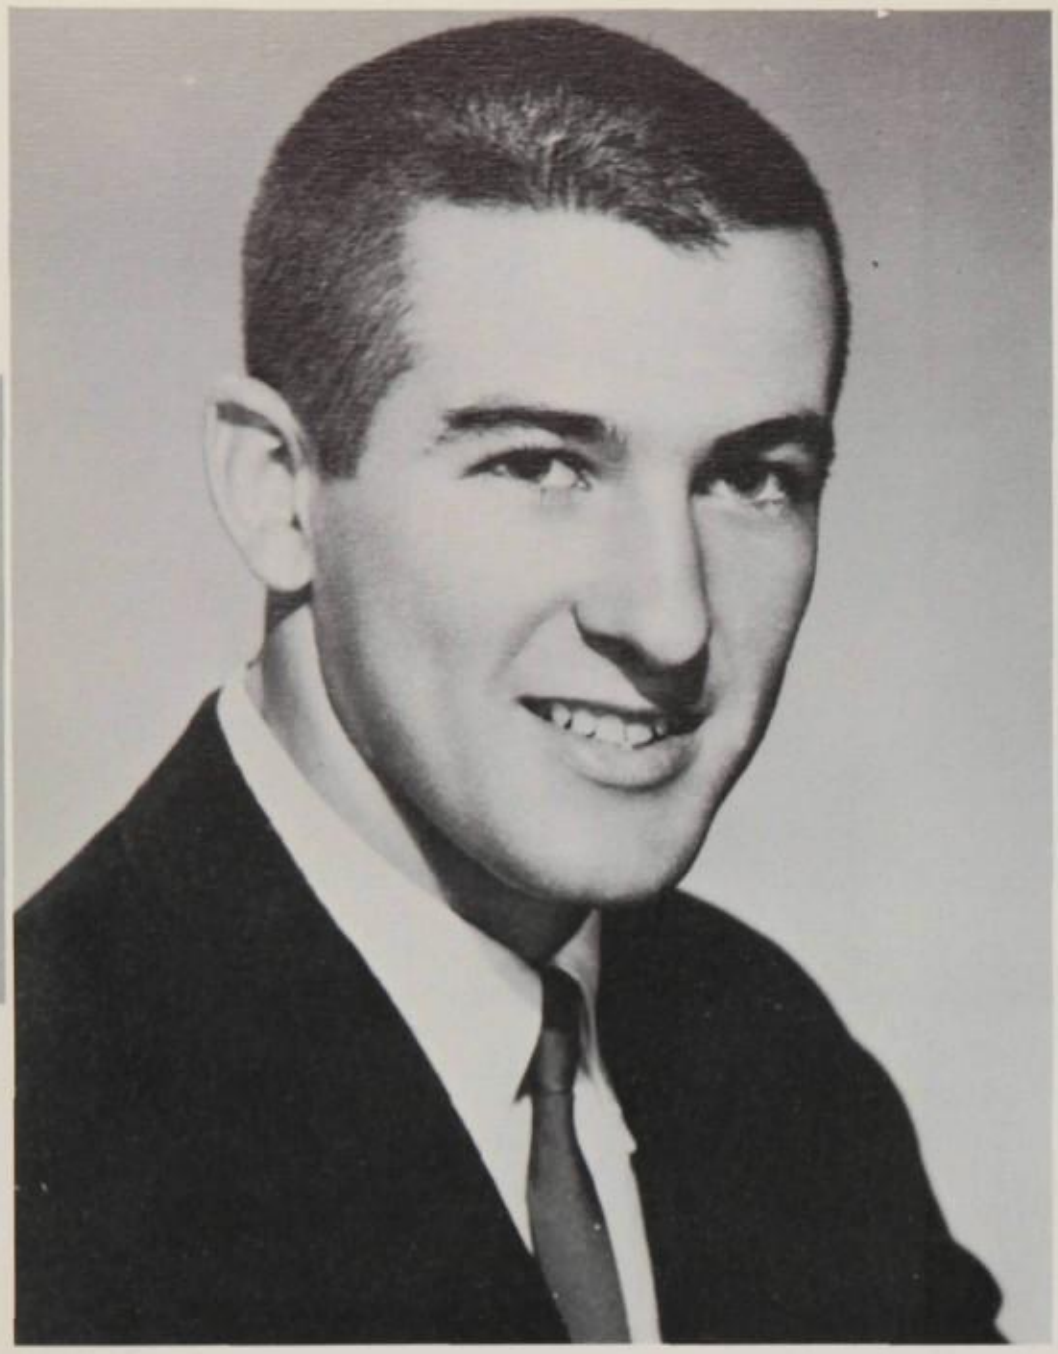
Spirit was high as we swung into our third C.I.F. playoff. Disappointed but proud, we watched our mighty Mustangs play this final game, which culminated Muir's most successful of all football seasons.

With fond thoughts of cheers and tears we recall the enthusiasm and drama of our school life. Coach Hunt tensely gripped his clip board as he and all-CIF-back, Rod Sherman, followed the action on the field. We recollect the triumphant sound of the Alma Mater ringing through the stadium which marked Muir's greatest football season. We remember the fun and frolic of the Powder Puff Derby with its nimble Flag "Girls." And last, but not least, are our memories of Hush Day. Never were classes so quiet or boys so unpopular.



ATHLETICS

In athletics, as in other fields of competition, Muir excelled this year. Fielding successful teams in almost every possible sport, Muir displayed tremendous spirit and teamwork. The victories achieved by our teams this year may be traced back to our excellent coaching staffs and to Muir's active student body.



JOHN MASON

SPORTSMAN OF THE YEAR

Unanimous choice for Sportsman of the Year is three-sport letterman John Mason. Being a strong man of the football, basketball, and baseball teams, John has won a total of nine varsity letters while attending Muir—the first time in this school's history!

Football proved to be his biggest sport as he won several awards in his junior and senior years. Described by Coach Hunt as the best end Muir has had, John was selected as the Outstanding Lineman of the Football League in both the 1961 and 1962 seasons. John was also chosen for the first string on the 1962 CIF team and was named the All San Gabriel Valley End.

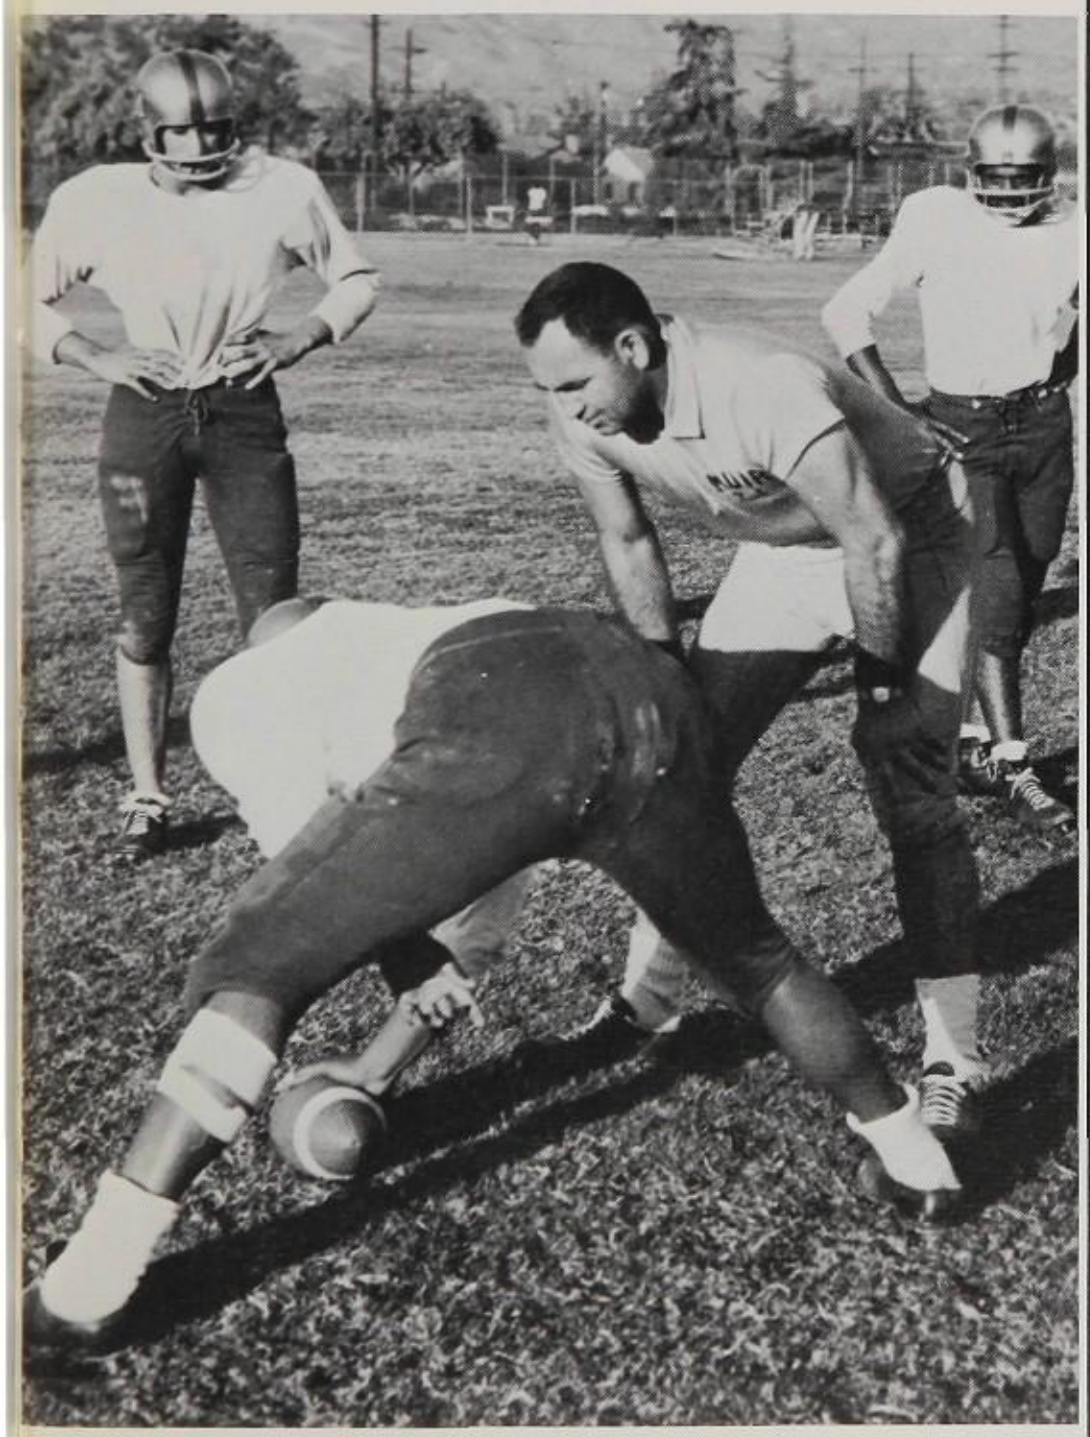
John's competitive spirit showed through as a forward on the varsity basketball team. His steady scoring and rebounding were instrumental in many Mustang victories.

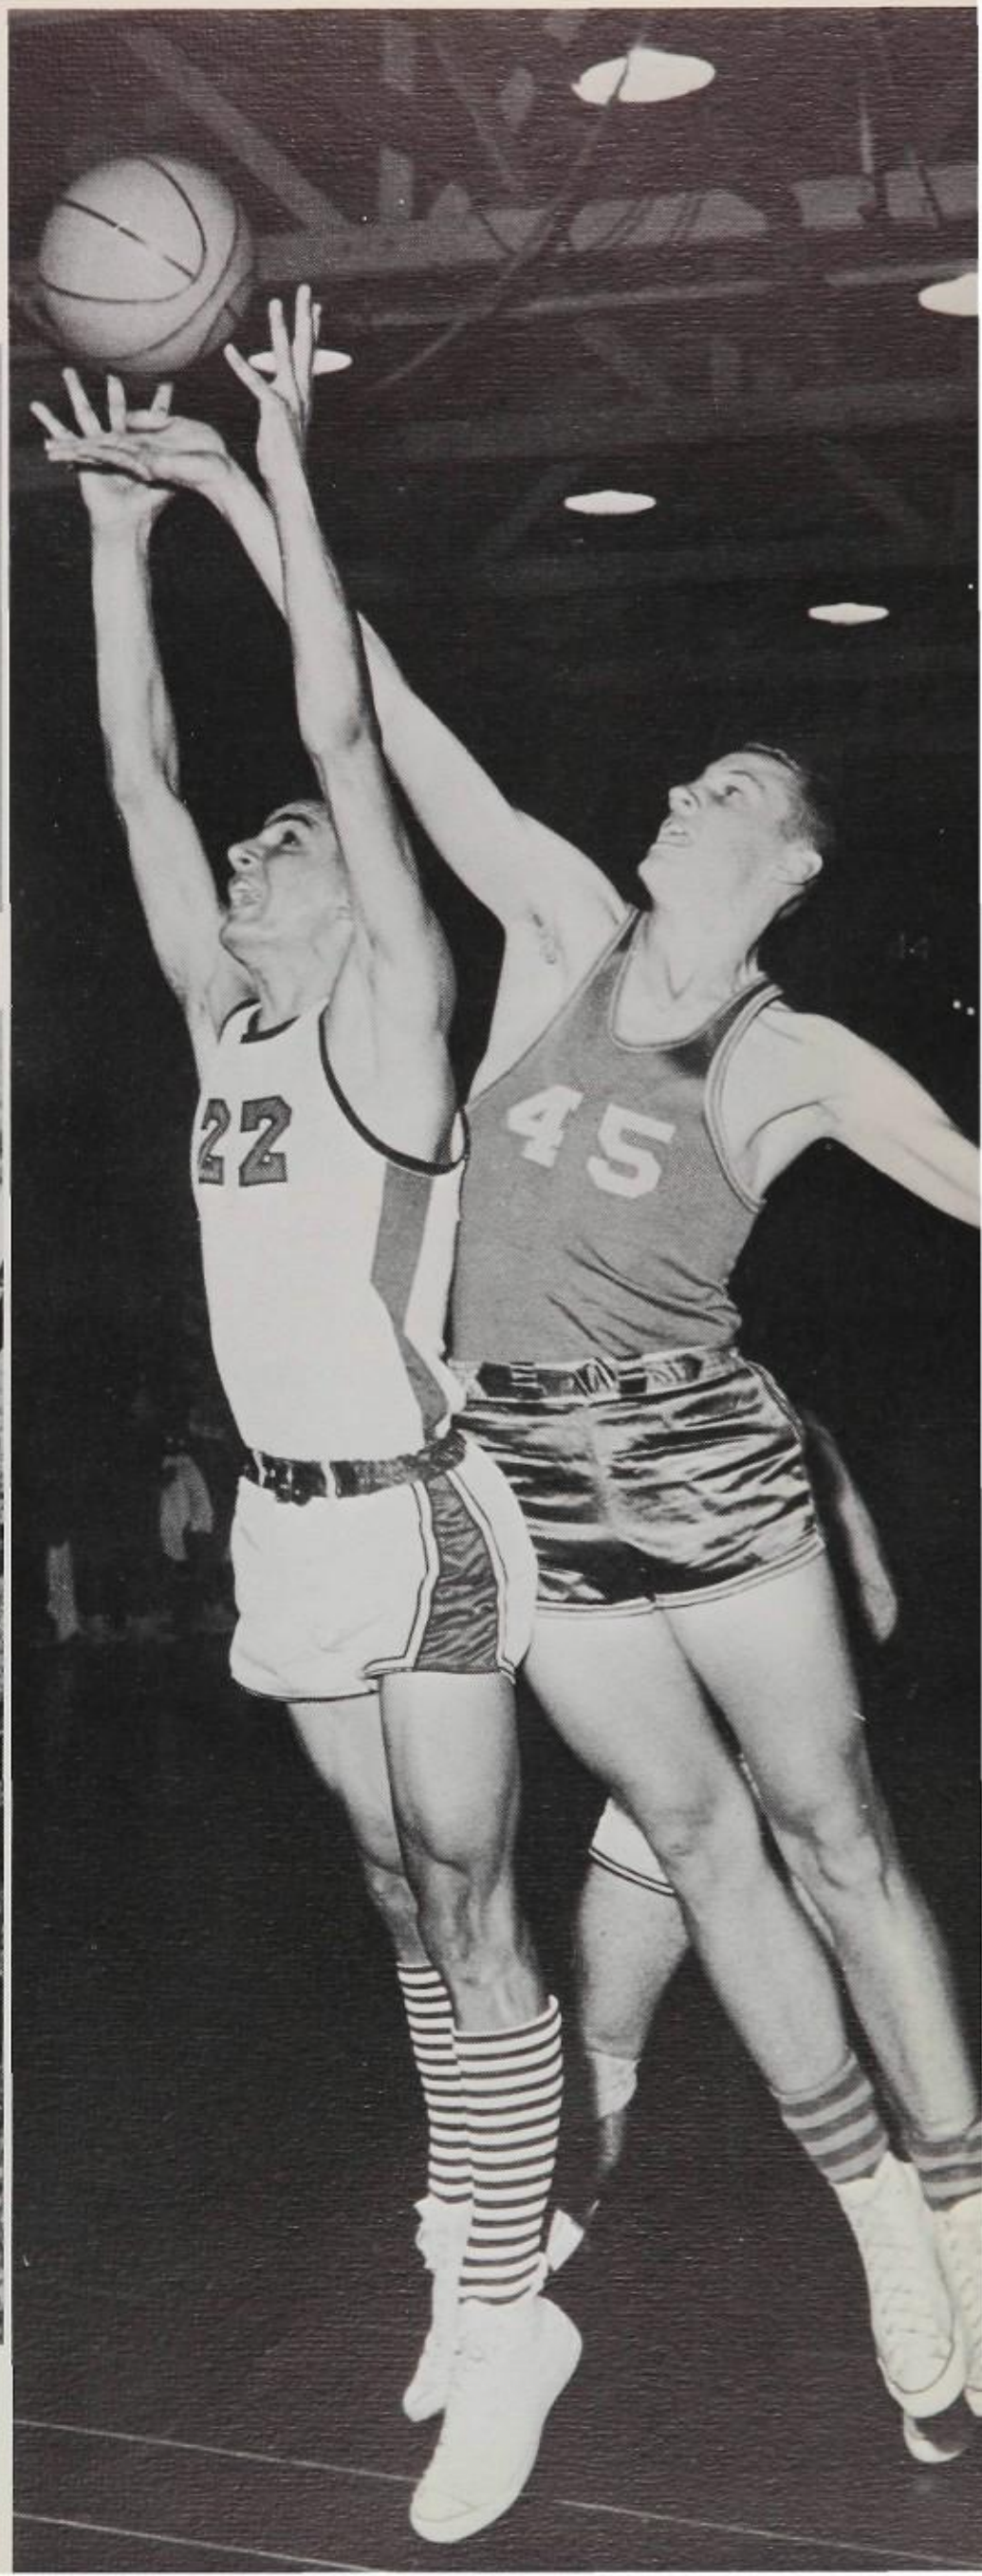
John Mason was also an outstanding pitcher for the Blue and Gold baseball team. Blazing speed and good control made John one of the most feared hurlers in the league.

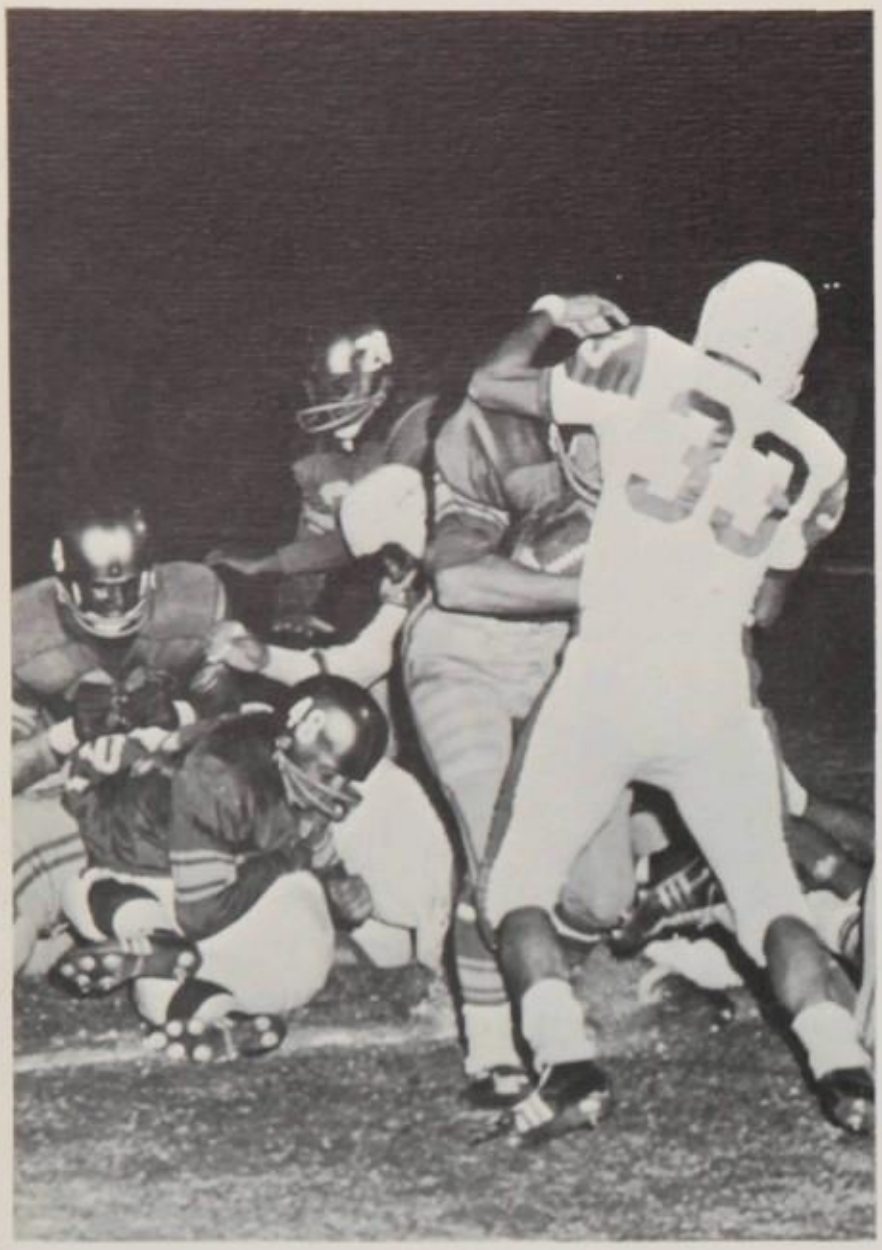
This fine record as well as his excellent scholastic achievements, make John Mason the obvious choice for Sportsman of the Year.

BOYS' SPORTS

Athletically, John Muir High hurdled new heights in 1962. Forecaster of the successful year of sports was the League-winning varsity football team. Maintaining Muir's tradition of strong teams, the basketball team remained a tough one to beat in the Foothill League. The Blue and Gold trackmen also were strong competitors as several individual records were broken; while in baseball competition the Mustang varsity copped victory after victory.







ROD SHERMAN DRIVES into the end zone for a touchdown as a Cathedral player attempts to slow his charge.

PRE-SEASON VICTORIES

The Mustang varsity made an impressive pre-season performance by piling up 88 points in three games.

Muir's first victory was a 28-6 win over Cathedral. Tony Williams chalked up the first two touchdowns with a 45-yard romp to paydirt and a ten yard run which terminated a 55-yard drive in six plays.

Muir's quarterback Rod Sherman faked a pass and bootlegged the ball around left end for a 19-yard TD. Sherman concluded the scoring with a 2-yard plunge for the tally.

Western of Anaheim was Muir's second victim. The Mustangs scored on the first play from scrimmage with a pass from quarterback Rod Sherman to Muir's all-league end, John Mason.

Tony Williams' second week of outstanding running set up Muir's second score. Sherman, with a quarterback-sneak and conversion, gave Muir a 13-0 lead with only 9½ minutes played in the game.

Julius Clark sprinted 35 yards for Muir's final score of the half.

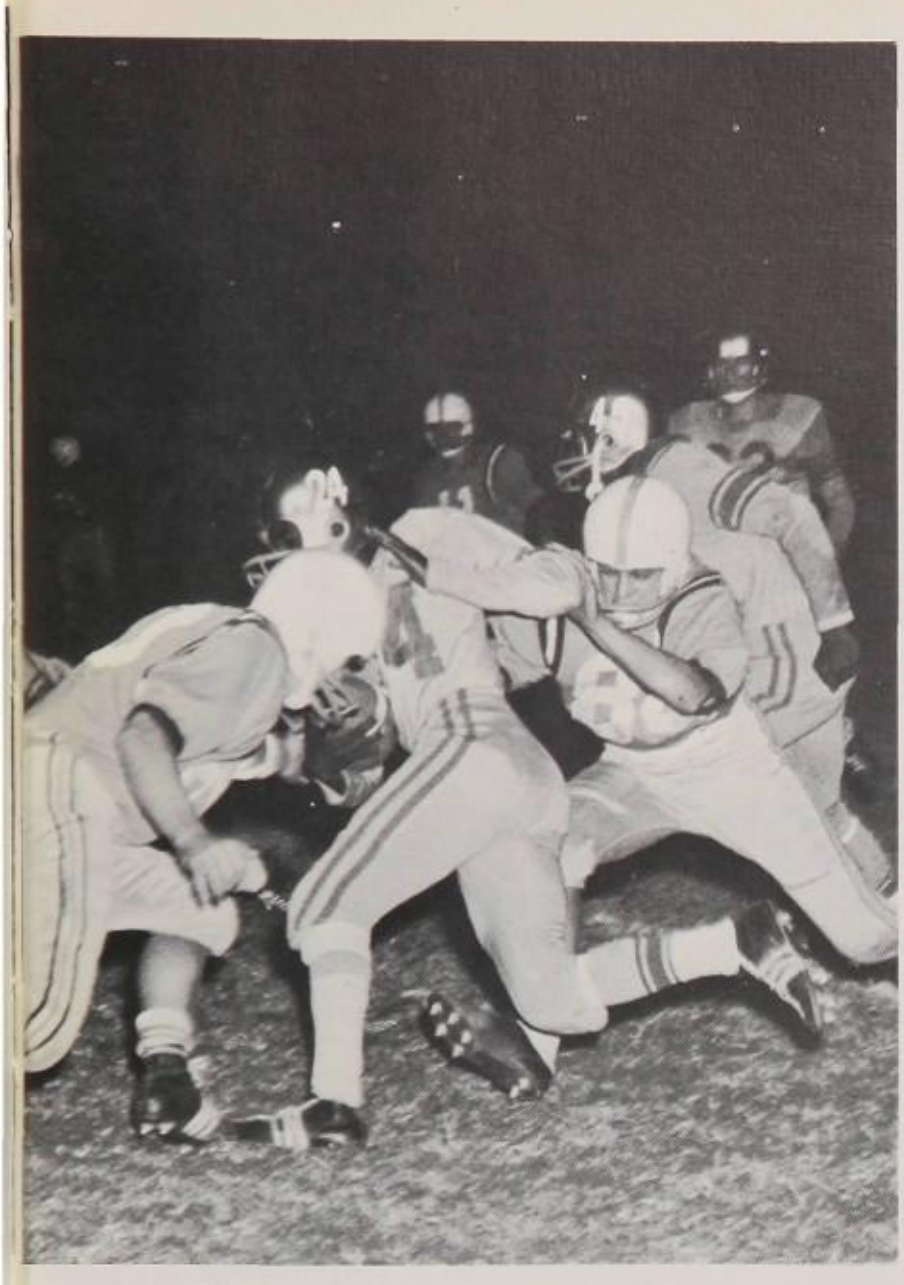
Holding an opposing team scoreless is a victory in itself. Muir's rock-ribbed defense held Western to only 38 yards on the ground. This was due largely to the efforts of outside linebackers Bruce Fraser and John Mason, along with the line play of Dale Jones.

Santa Monica, seeking revenge for last year's upset, could not handle the highly talented Muir offense. Although coming within 2 points of the Mustangs, the Vikings scored three times in the last three minutes of play.

Sherman connected with Mason for 15 and 17 yard aerials to provide the offensive punch for the victors. Ron Brandley, alert Muir tackle, pounced on a Samohi fumble in the end zone to add six more points, and Andy Spears raced 20 yards for the final tally.

This concluded the pre-season games for Muir as it awaited the tough competition always found in the Foothill League.

TONY WILLIAMS ELUDES a futile dive by a Cathedral defender and heads upfield.



MUIR 46 — CRESCENTA VALLEY 0

Crescenta Valley, the Foothill League's new entrant, found the league living up to its reputation, and Muir setting the example. Their team, composed of sophomores and juniors, was stunned by Muir on the opening kickoff.

Trying to avoid a long return, they kicked the ball away from Muir's speedy backs. Ronnie Pritchett took the ball on his own 42 yard line, found daylight, and sprinted 58 yards for Muir's first score. Muir's potent defense held Crescenta Valley to 46 yards on the ground and 24 yards in the air. The second time Muir got the ball, they stormed down the field with halfback Julius Clark scoring from 40 yards out. Clark scored once again in the first half with an eight yard drive to paydirt.

After receiving the kickoff Crescenta was unable to move the ball and Muir took over at midfield. On the first play from scrimmage, Muir's quarterback, Rod Sherman, swept around end, and finding daylight, travelled the distance for the score.

This scoring spree continued throughout the rest of the half. Collins and Spears both climaxed two drives by plunging in from two yards out. Thus ended the first half with a comfortable lead for Muir, 33-0.

Quarterback Rodger Groves led Muir's offense to two scores in the second half. The two tallies were made by halfback Tony Williams and fullback George Fulks.

ANDY SPEARS (39) shifts into high gear as he races by the Falcons for a big gain.

HALFBACK TONY WILLIAMS (28) breaks away from a host of Burroughs' tackles as Ron Brandley (47) picks off opposing linemen.

MUIR 41 — BURROUGHS 0

Muir sailed past Burroughs as the Mustangs literally beat the Indians into the ground. Muir gained over 400 yards on the ground, threw only four passes, two for touchdowns, and cleared the bench before the game was over.

The scoring spree started with a pass from Mason to Sherman, with the latter traveling 24 yards for the score. Doug Collins sprinted 85 yards for a second Muir tally, giving Muir a good lead. End Bruce Fraser gathered in a pass from Sherman and threaded his way through the Indian defenders twenty yards for six points. Andy Spears swept on a reverse for another score, and Tony Williams zigzagged thirty yards for a fifth touchdown. Sherman tallied the final touchdown with a one-yard plunge.

The defensive unit, led by linebacker Vic Lepisto, racked up another impressive evening by stopping Burrough's offense cold, and adding another shutout to their record.

ROD SHERMAN (12) reverses field in the Mustangs' romp over Burroughs.

MUIR 34 — HOOVER 0

Muirs' fine defense saved the night against Hoover. It repeatedly held Hoover motionless as the Mustangs' offense didn't come into true life until the second half.

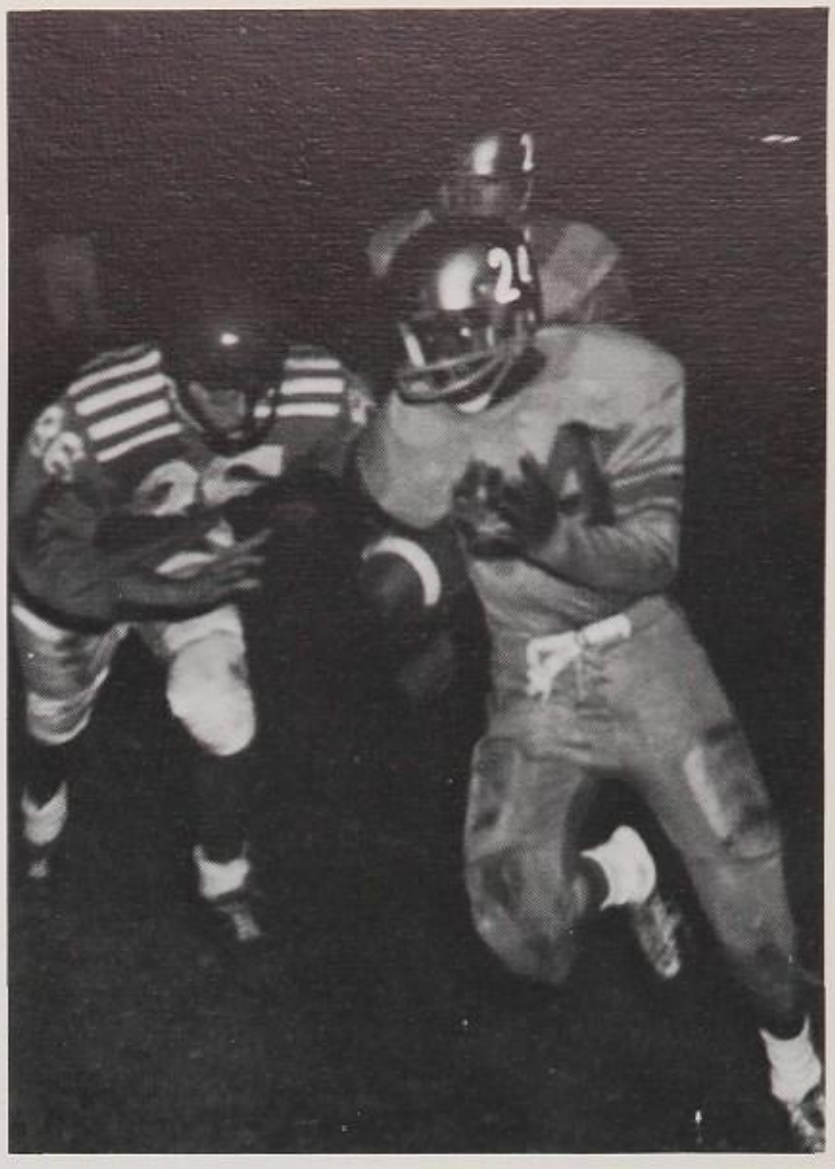
The only score in the first half of play came when halfback John Mason threw a pass to quarterback Rod Sherman who rambled 60 yards for a touchdown.

Muirs' talented offense showed its true self by scoring 27 points in the second half. Outstanding runs of the night and possibly the entire season, were made by Tony Williams and Dennis Anderson. Williams' run of 53 yards saw the ace scatback continually reverse his field to pick up blocks downfield.

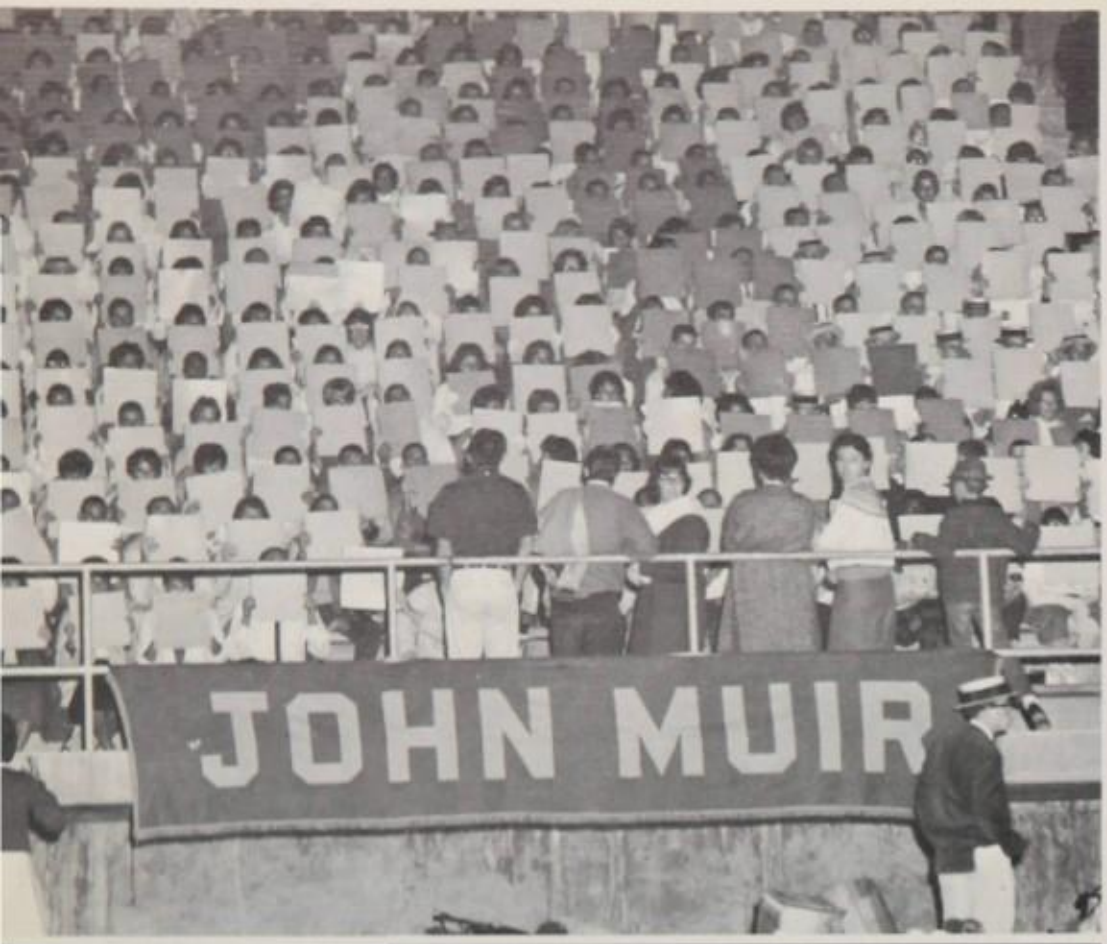
Dennis Anderson amazed the crowd, the coaches, and most of the Hoover team, as he drove through no less than six opposing tackles and then went the rest of the distance, 64 yards total, for the well-earned six points.

Muirs' other scores were made by halfback Andrew Spears, four yards, and Rod Sherman, six yards. Defense men Bruce Fraser, John Mason, and George Fulks at linebackers, assisted by deep back Sherman and sophomore Ronnie Pritchett, were the deciding factors in the game.

Sherman was awarded the "player of the week" for his successful efforts on defense as well as offense.



JULIUS CLARK (24) turns the corner (above); races by a Hoover defender (below).



MUIR 19 – GLENDALE 0

In the past five years, the Foothill Leagues' game of the year has been between Muir and Glendale. This year Muir was ranked as number two team in C.I.F. and Glendale number four. The game was moved to the Rose Bowl to accommodate the enthusiastic fans from the Southland area. Glendale received the opening kick-off but was unable to move the ball against Muirs' strong defensive wall. They punted on fourth down and recovered the fumbled punt on Muir's 49 yard line. This break was supplemented a few plays later by a 15 yard penalty. Glendale had a first down on Muir's 27 yard line when once again the Mustangs' defense became immovable.

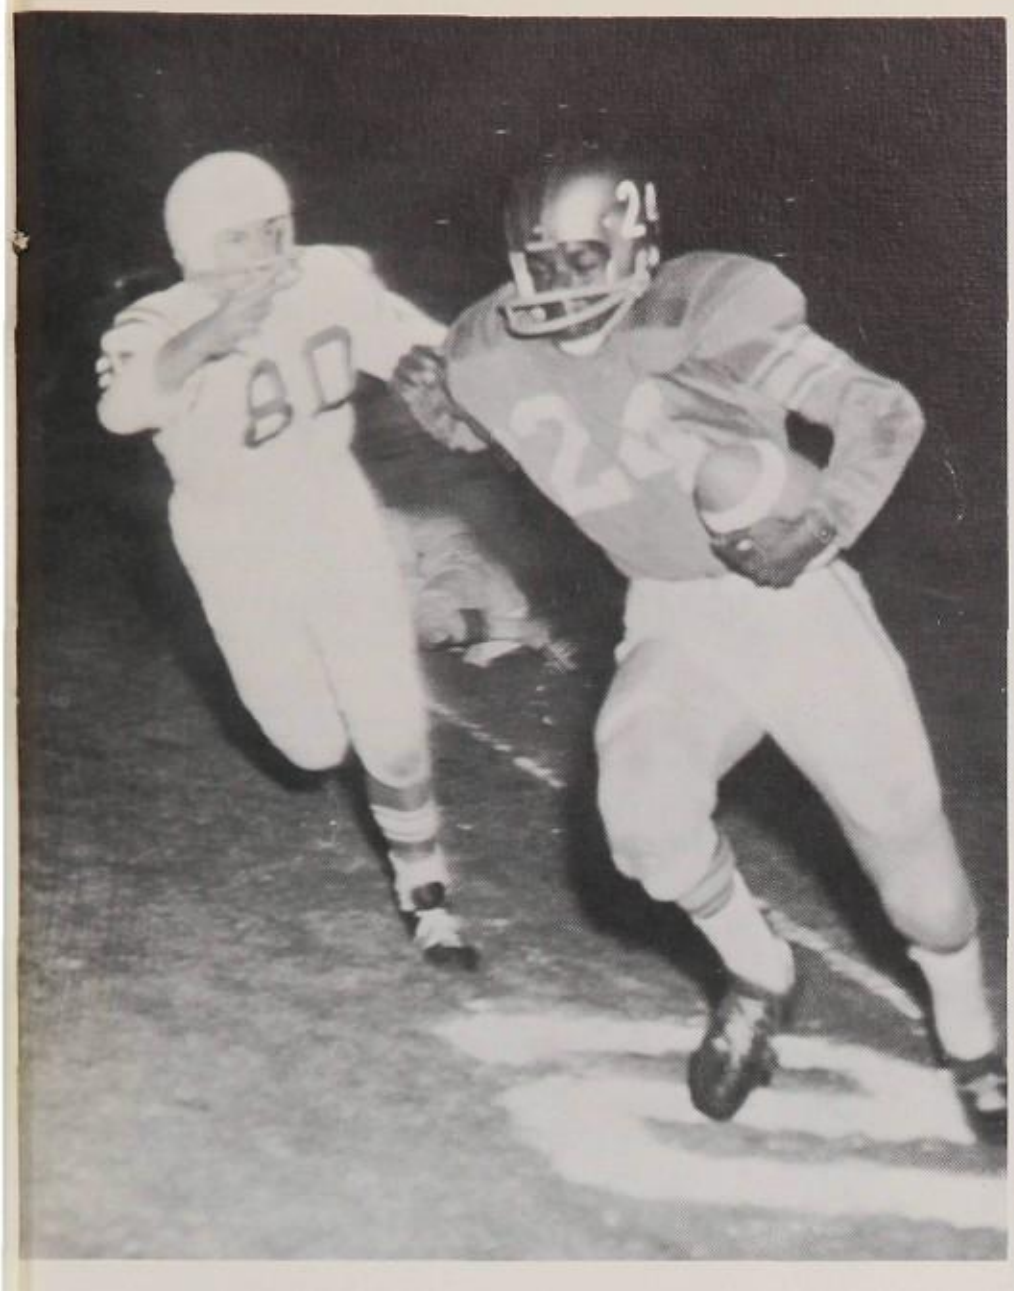
Muir's offense, determined to score, capitalized on two trick plays. Mason passed to Lepisto off a fake punt formation to make the key first down. Early in the second quarter Mason hit Fraser good for 47 yards. Muir's line ran over Glendale and the backs went around. Quarterback Rod Sherman drove three yards to draw first blood of the night.

Muir's offense proved superior once again the second time it had the ball. The brilliant running of halfback Julius Clark and Tony Williams sparked the second scoring drive. Williams climaxed this drive with a dazzling run of 20 yards, leaving the defensive secondary in their tracks. Muir received the second half kick-off. The combination of the speedy and powerful Mustang line and the quick, elusive backs drove the ball deep into Glendale's territory. Sherman's deception clicked as he raced seven yards untouched for six points. Muir's 19-0 defeat of Glendale made the Mustangs undisputed leader of the Foothill League.

THE MUIR ROOTING section performs card stunts at the halftime; here a block "M" takes shape.

ROD SHERMAN LOFTS a pass over a host of Dynamiters as Tony Williams and Roger Clay throw protecting blocks.

THE TENSE FACES of the Mustangs on the sidelines show the concentration which was evident on the field as well. Muir was victorious by a 19-0 score.



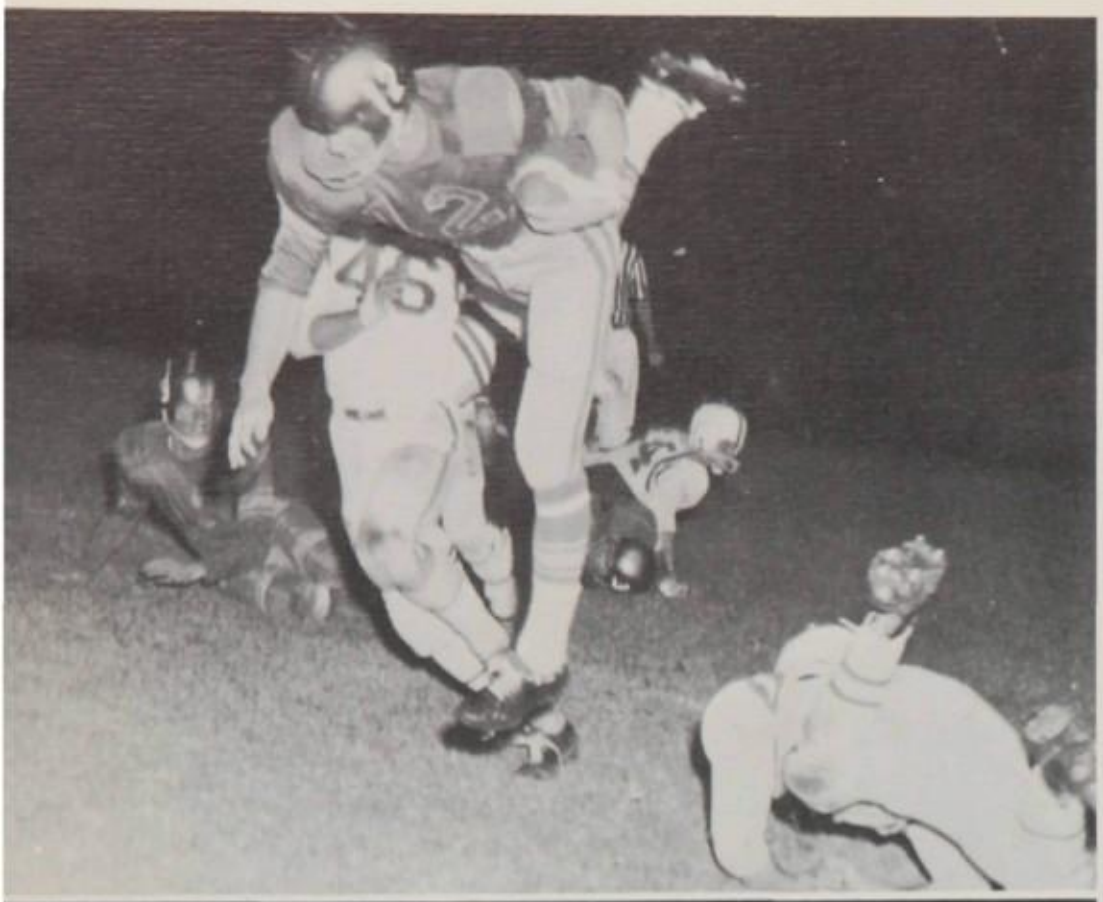
MUIR 40 — BURBANK 0

Staggering Burbank with 35-0 win, Muir's mighty Mustangs clinched their slot in the CIF playoffs, virtually grabbing off the Foothill League Title and snagging the hard-won plaudit of Number One team in Southern California. Other smashing Mustang firsts include: moving within one game of the first unbeaten season in Muir's history, as well as in the history of the Foothill League; setting a record by scoring their sixth shutout of the season; and remaining tops in the CIF in most points scored; total offense and defensive record. Not a bad night!

Coach Hunt singled out backs Tony Williams and Rod Sherman, along with linesmen John Mason and Dale Jones, for their fine show in the Burbank victory. Regulars Sherman and Williams racked up 23 of the 35 points scored. Sophomore defensive star Ronnie Pritchett predicted his great future on offense as he sprinted 63 yards for a touchdown. Several members were still recuperating from the Glendale game, including guard Joel Sheldon and linebacker Vic Lepisto, and were unable to see regular action. This victory under handicap ranked as one of the greatest of the season and served as a prelude to the Turkey Tussle in which Muir met its cross-town rival, Pasadena High School, in another game where anything could happen.

JULIUS CLARK (24) ROUNDS left end for a Mustang first down.

TONY WILLIAMS, (28) makes a quick stop as Roger Clay, (29), and Joel Sheldon, (34), go in for the block.



MUIR 28 – PASADENA 13

With six fumbles in the first half of play, the Mustangs saw a strong P.H.S. team leave the field with a 7-6 lead. Muir's only score in the first half was a 69-yard razzle-dazzle play. Sherman handed the ball to Pete Dorn on what looked to be a sweep-around end. Seconds later Dorn stepped back across the field to Sherman, who spotted Mason on the opposite sideline, Mason gathered in Sherman's pass and went 40 yards for the score.

Taking the kick-off in the second half, Muir zoomed 65 yards in 14 plays to turn the tables on P.H.S. Julius Clark ran 11 yards on the longest gain and Sherman scored from three yards out. Sheer force contributed by Joel Sheldon, Dick Booth and Roger Clay moved the Bulldog defensive line into the end zone.

In the fourth quarter, after Pasadena tried five plays, John Storms recovered a fumble for Muir on the Bulldog 34. The Mustangs scored in 12 plays, first driving to the one, being penalized back to the 16, and then scoring as Sherman fired a pass to Mason on the fourth down from the seven.

Muir's defensive unit forced Pasadena to punt on the fourth down in the next series of plays. Muir running their spread formation, scored on the first play. Mason took a pass from Sherman and handed off to halfback Julius Clark. Clark turned what appeared to be a 10-yard gain into a spectacular touchdown run of 26 yards, bouncing off of three different tackles.

P.H.S. quarterback Jack Ficakessen concluded the scoring of the night by hitting end Don Anderson with a 5-yard pass in the end zone.

ROD SHERMAN TAKES a nosedive after being hit a Bulldog defender.

JULIUS CLARK TURNS on his vaunted speed to leave a Bulldog empty-handed.

SHERMAN TURNS UPFIELD, as a hapless Pasadena players bites the dust.

MUIR 33 – ARROYO 19

After completing the first undefeated season in Muir's history, the Mustangs went into the first round of the C.I.F. Playoffs against the Sierra League champs, Arroyo Knights. The Mustangs were strong favorites in the game as they were ranked first in the C.I.F.

The Knights proved to be a determined ball club in giving Muir one of the roughest games of the season. But the Mustangs' highly-touted offense was too much for Arroyo as Julius Clark, Tony Williams, and Vic Lepisto took advantage of the running room given them by the forward wall and ground out a 33-19 victory.

This was a historical win for the Mustangs as no Muir team had ever been victorious in a C.I.F. Playoff game. Rod Sherman turned in his, by now, customary performance of sparkling leadership. The brightest part of the game was the play of the offensive line. The Mustang forward wall used sheer power and ability to dominate Arroyo's defense and to pave the way for the backs. Muir stayed on the ground during most of the contest, and piled up 376 yds. rushing. This win was accomplished by a fine offensive effort.

The player of the game award went to center Dick Booth and guard Roger Clay for their tremendous line play that enabled the Mustang backs to burst through the Arroyo defense and pick up valuable yardage.

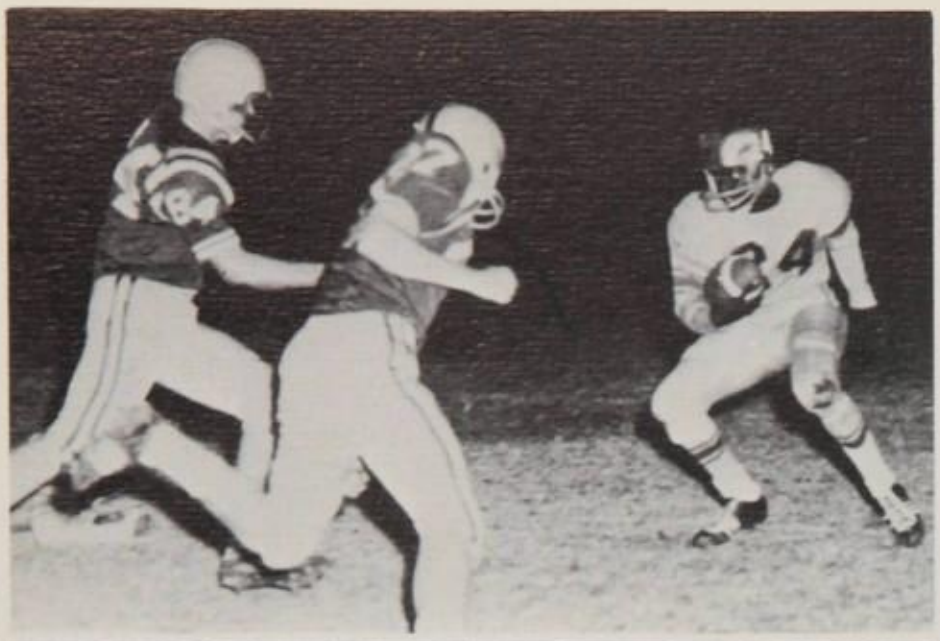
VIC LEPISTO SCORES from 10 yds. out as he out runs the opposition.



MUSTANG HALFBACK JULIUS Clark looks for daylight as two Apaches move in for the tackle.

THIS TIME CLARK finds daylight and rambles for 12 yards and a Muir first down.

MUIR 28 — ARCADIA 7

In the second round of the C.I.F. playoffs, Muir drew the tough Arcadia Apaches. Arcadia had beaten San Bernardino to advance in the playoffs. Although Arcadia was the home team, they chose to play in the Rose Bowl in order to accommodate the large crowd expected for the game.

As the two teams lined up for the opening kickoff a light rain began to fall, and as the game progressed the field became more slippery and treacherous. The rain had no effect upon the Mustangs, however, as they completely outclassed the game Apaches and came away with a 28-7 win. Probably the best overall performance by the Mustangs in the '61 season the game was a tonic for the "dampened" spirits of Muir rooters. Despite the weather, a fine crowd was on hand to witness the Muir victory.

Individual praise would be impossible when discussing the game. Every player on both offense and defense played an exceptional football game, and the "Big Gold Machine" was unbeatable this night. Perhaps this victory took a little too much out of the Mustangs, as they advanced into the C.I.F. Semi-Finals.

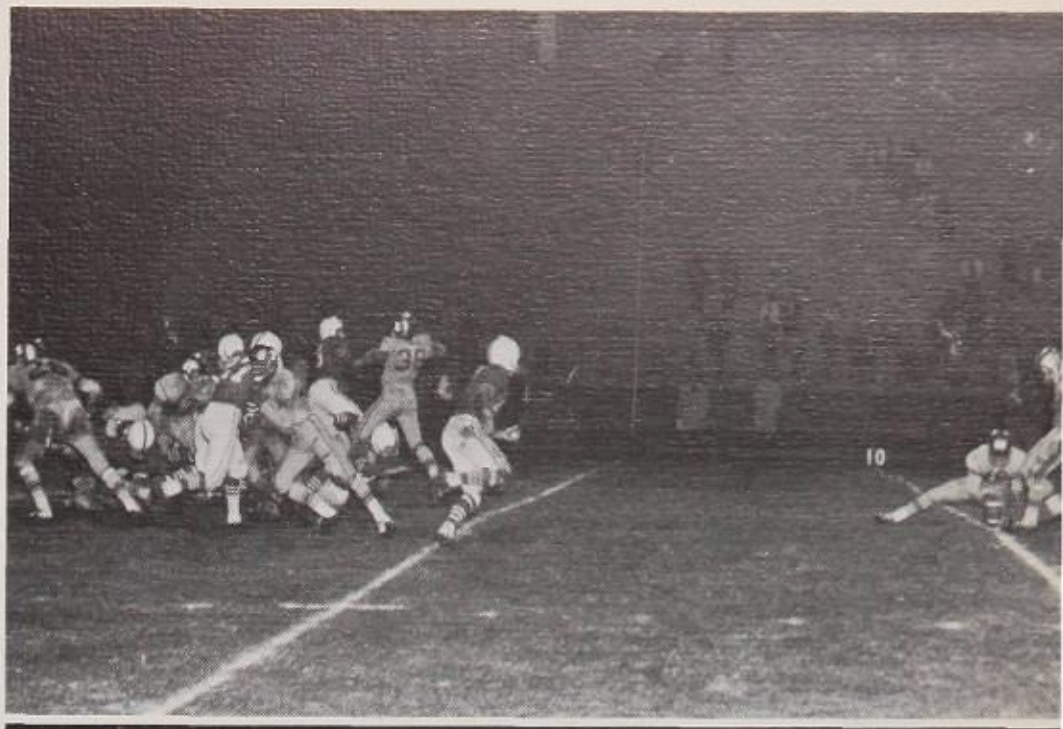
MUIR QUARTERBACK ROD Sherman just does turn the corner as halfback Tony Williams applies the key block which enabled Sherman to make a sizeable gain.

MUIR 7 – EL RANCHO 27

Fresh from a very satisfying win over Arcadia, the Mustangs ran into the toughest team they had met all year and came out on the short end of a 27-7 score. The El Rancho Dons were a well-coached and mentally prepared ball club, and they caught Muir on one of its' worst nights of the season. Perhaps the Mustangs were not "up" for the game because of the big win against Arcadia or because of El Rancho's obscurity. But whatever is said, the Dons were the better team on that night, and nothing can be done to recover the game now.

The running of halfback Biaggio Zaby and the passing of Inez Garcia kept the Mustangs continually off balance. The Dons also boasted a powerful line which bottled up the Muir running attack so completely that Rod Sherman had to switch to a desperate passing attack. Three interceptions stopped possible Mustang drives, and the Dons were adept at taking advantage of those breaks.

The Mustangs' 11 game win streak came to an abrupt halt, but the 1961 season has to be called the greatest in the history of Muir. Coach Hunt verified this statement by naming an unprecedented four players to the All Time Muir Team. They were: Rod Sherman, quarterback; Tony Williams, halfback; Joel Sheldon, guard; and John Mason, end. This year's team got farther into the C.I.F. Playoffs than any other Muir team and broke all the school records for total offense and scoring.



ROD SHERMAN KICKS the conversion following Muir's only score. The tally was a 71 yard return of an intercepted pass by Sherman, and came just as the game ended. This brought his season total to 150 points, giving him the C.I.F. scoring championship.

SHERMAN GETS A block from Dennis Anderson as he sweeps left end. Joel Sheldon and Dale Jones get set to clear the area of Don defenders.

EL RANCHO'S TOP runner, Biagio Zaby, is brought down by John Mason and Vic Lepisto after a short gain. Zaby was a thorn in the Mustangs' sides all night as he used his speed and agility to shake loose on several long runs.

ATHLETIC DIRECTOR Fred Booker arranges the schedule for the Mustangs each year. Evidently Mr. Booker picked the right opponents this year.

VARSITY LETTERMEN

To letter on Muir's varsity football team is no easy task, especially when the team is one which establishes the finest record a Muir team has ever achieved. Coach Hunt chooses lettermen on the basis of their contribution to the team, not on the basis of the time they have played. This means only those players who were instrumental in the team's success earned a varsity letter.

THIS IS THE sixth season that coach Jack Hollen has been head football coach of the John Muir Colts. He has had a consistent winner in every year he has coached.

THE COLTS

Although the "Bees" posted a respectable 7-2 record in 1961, their two losses were enough to keep them from winning the league championship. The Colts were plagued by injuries all season, and coaches Hollen and Pappas were kept busy switching their few healthy players from one position to another.

Along with quarterback Pat Johnson, the trio of running backs who accounted for most of record point total, were halfbacks Price Reed, John Tai, and fullback Cliff Coker. Reed led the team in scoring with 15 touchdown and 2 conversions for a total of 92 points. Tai, a member of the Colts for three years was very inspirational in the '61 season. Hard running Cliff Coker could be counted on to gain yardage through the line. His first downs were very instrumental in sustaining many Colt drives.

The line was led by co-captains Charles Booth at center and Steve Bowman at guard. Bowman was voted the club's most Outstanding Player by the coaches and players. Other outstanding members of the team consisted of Kingsley Hines, Rick Baker, Wilmer Abram, and Chase Gregory.

THE "B" FOOTBALL team: Row 1: P. Johnson, C. Townsend, A. Windt, J. Calmore, S. Bowman, J. Harrel, J. Tai, R. Okada, P. Reed, W. Abram, C. Gregory, M. Johnson. Row 2: S. Lieberman, Manager, R. Baker, D. Christe, W. Fujimoto, N. Jackson, D. Fitch, T. Johnson, T. Kingston, K. Peralta, C. Booth, P. Johnson, K. Hines, C. Coker, P. Whitlatch, D. McKesson. Row 3: C. Ludd, Manager, Coach Pete Pappas, D. Duncan, C. Abejohn, C. McNeil, B. White, H. Reed, P. Potter, J. Lupien, J. Stoddard, D. Tone, W. Wilson, L. Commas, B. Good, D. Hedlund, D. Bear, J. Tolley, M. Suderman, P. Hernandez, Coach Jack Hollen.

SEASON'S REVIEW

Twenty-three members returned from the 1960 to give Coach Hollen plenty of depth with which to work. Muir showed their potential in the three pre-season contests as they racked up a total of eighty-six points to the opposition's twelve.

The Colts met newcomer Crescenta Valley in their first league tilt. Muir crushed the bewildered Falcons 41-0 as they gained 357 yards to Crescenta's 19.

The next week Muir lost a hearbreaker to league champions Burroughs. Although the team clicked on offense and defense they were plagued all night by penalty after penalty. As a result the Colts lost 105 yards and three touchdowns.

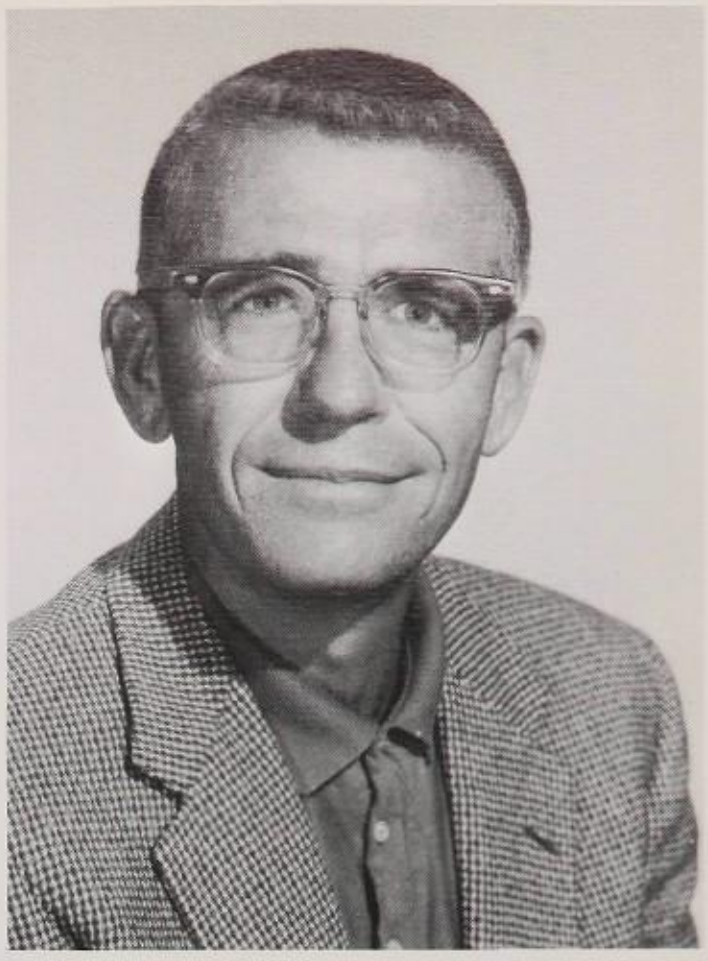
Muir suffered its second setback of the season in the Glendale game when again the Colts saw victory turn into diasster. Early in the third quarter Muir led 25-6. But then the Nitros caught fire and raced over the Colt defense for 27 points and a 33-31 victory.

John Muir regained their winning form as they met Hoover. Muir relied on its defense after scoring once in the first quarter and twice in the next to win 20-7.

Burbank fell to the Colts the following week. Muir completely outclassed them as they roared to an easy 39-0 victory. Cliff Coker and John Tai were outstanding as they scored five TD's between them.

The Colts wrapped up the season in winning style in a hard-fought battle with Pasadena. In the late stages of the game the Colts trailed 14-7. Rick Baker intercepted a pass and carried it 40 yards for the tying TD. With four minutes left to play, Price Reed rolled out and passed the winning six to John Tai.

THE COLT CO-CAPTAINS Steve Bowman and Charles Booth.



COACH PETE PAPPAS has been at Muir for three years, and during that time he has gained the respect and admiration of all those who work with him.

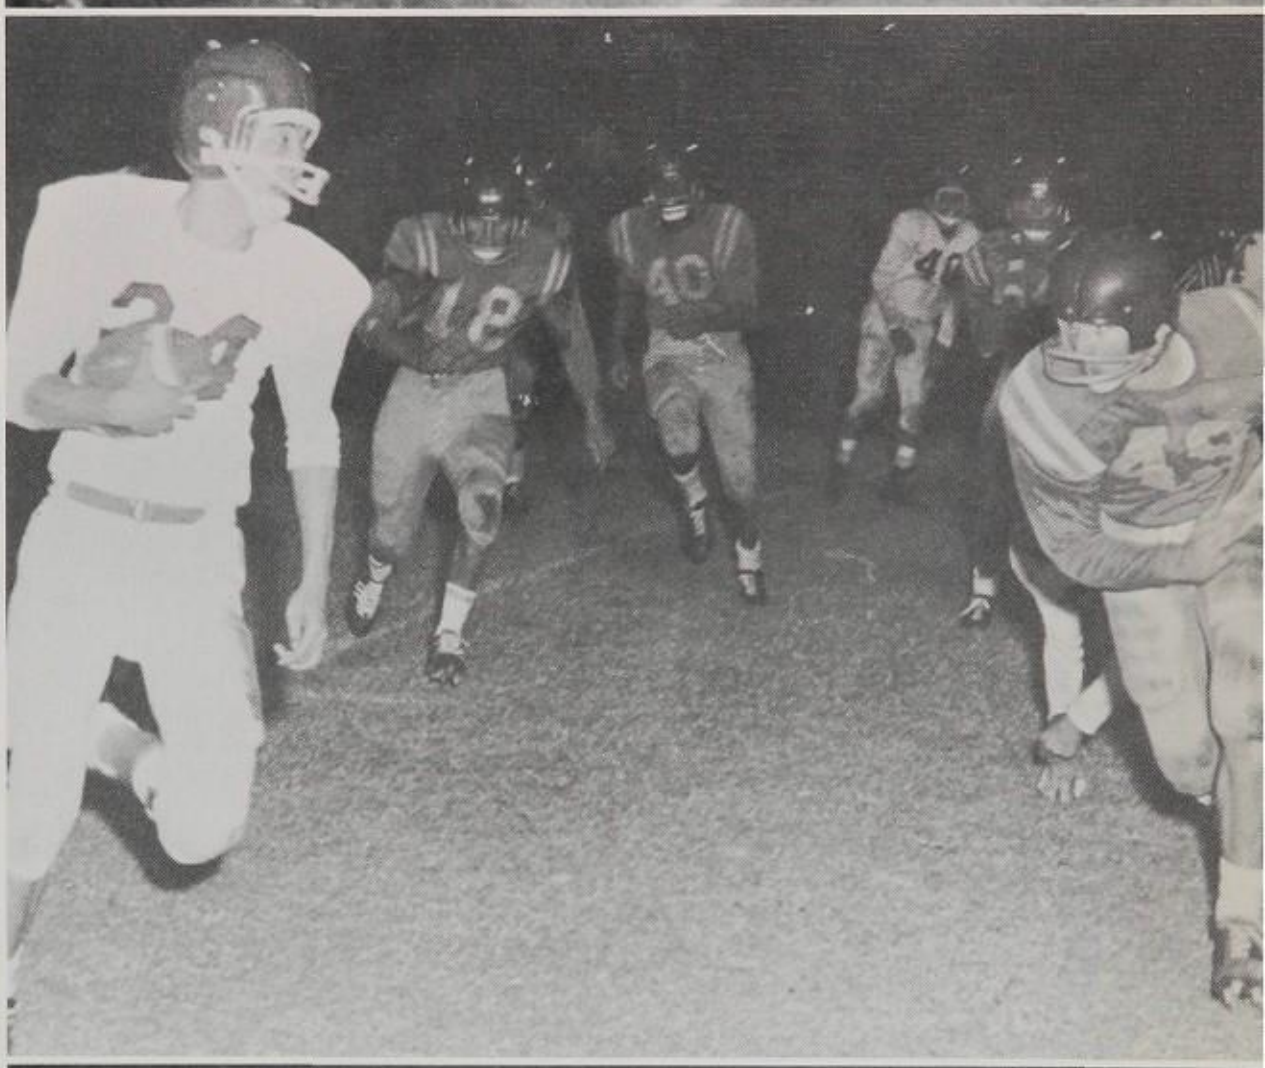
AS COLT HALFBACK Price Reed listens carefully, coach Hollen explains a play to him.

GOOD BLOCKING SENDS fullback Cliff Coker off tackle for 20 yards.

PRICE REED TAKES a quick pitch-out from quarterback Pat Johnson and scrambles around right end for a Colt first down against Glendale.

COLT HALFBACK PRICE Reed evades the grasp of a would-be Burbank tackler and rambles his way down field for 25 yards and another Colt first down. The great running of Reed in this game gave the Colts an easy victory over the Burbank Bee team.

THE GREAT COLT defense, which only allowed a total of 78 yards rushing by their opponents, led by Peralta (18), Townsend (40), Abram (54), and Baker (49) rush in to smother the Pasadena Bullpups' quarterback and once again ruin the chance of a Pasadena upset victory over the Colts.



AFTER LOOKING FOR someone to pass to and finding no one in the clear, Colt halfback Price Reed picks up a few key blocks and scampers for 15 yards and another Muir first down before being brought own close to the Pasadena goal line.

HEAD J. V. COACH Don Shoup, who has been at Muir since 1949, lettered in football, basketball, and track throughout his years at college.

JUNIOR VARSITY FOOTBALL

Every year the Junior Varsity encounters the problem of replacing players who are called up to the Varsity. This presents a lack of experience throughout the season but Coach Shoup skillfully handled the situation in 1961. The JV's won five games and lost three, and more important, several players became important figures on the Varsity. The JV's deserve a great deal of credit for their ever-present high morale. While they waited for their chance to play Varsity, they had to practice every day against one of the finest high school football teams in California. Most fellows would quit in such a position, but these boys continued to make it hot for the "Big Gold Machine" during practice even after their season had ended.

Every boy who goes out for Varsity football has to first prove his ability on the JV's. It is, indeed, a big thrill when a player trades his leather helmet for a "Gold Bucket" which signifies his promotion to the Varsity.

AS COACH DON Shoup looks or, two J.V. football players practice tackling fundamentals.

VARSITY BASKETBALL

After a shaky start, Muir's Varsity basketball team jelled into a smoothly-running unit, showing improvement with almost every game. The Mustangs finished with a 7-5 record in Football League play, good for a third place tie.

Muir, having chalked up an unimpressive pre-season record, opened the regular season with a 62-55 victory over Crescenta Valley. Seniors Dave Petrone and John Mason sparked the win with 17 and 16 points respectively.

Next Muir edged determined Burroughs, 61-59, with Gene Brockmeyer's 19 tallies and Ken Hansen's 16 markers leading the Mustang effort. Muir then lost to powerful Glendale, the team that went on to win league honors, by a 59-48 margin. Mason's 15 points topped Muir's scorers.

Muir's record was leveled at 2-2 by virtue of a 55-43 loss to Hoover. Burbank ran the Muir losing streak to three in a row with a convincing 70-59 win, despite a fine 21 point perform-

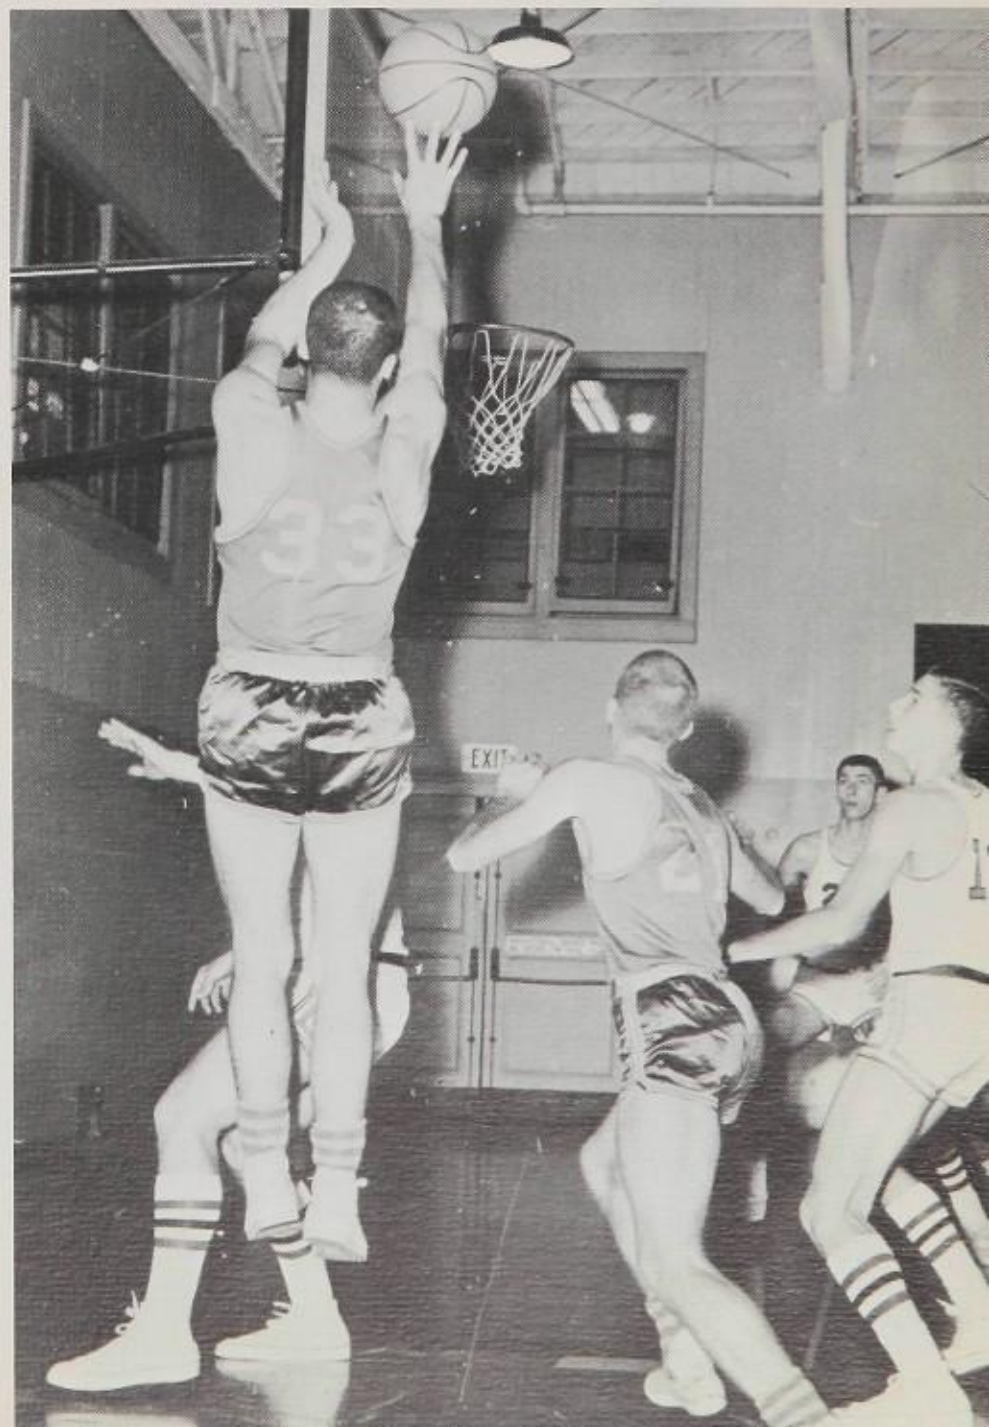
ance by Hansen.

Brockmeyer and Mason were instrumental in getting Muir back on the winning track with a 56-45 win over Pasadena. Gene tallied 22 important markers, while John was pouring through 19.

After a 73-66 non-league victory over Whittier, the Mustangs started the second half of the season with repeat victories over Crescenta Valley and Burroughs. Brockmeyer scored 18 in the 59-47 conquest over Crescenta Valley and 22 in the Burroughs game, which ended in a 59-48 win.

After a 62-48 loss to Glendale, the Mustangs nipped Hoover by a 51-50 score. Brockmeyer was again the leading scorer with 17 points. His 20 point output was not enough to stop Burbank, the Bulldogs netting their second victory of the year over Muir, 60-55. Gary Martin's clutch fourth quarter scoring binge netted Muir's quintet a 43-39 win over PHS to close out an exciting and successful season for Coach Leveille's crew.



JOHN MASON (33) HITS for two of the fifteen points he scored in Muir's 59-48 loss to the Dynamiters.

"B" BASKETBALL COACH Walter Smith is in his sixteenth year at John Muir after coaching both football and basketball when John Muir was a college.

B BASKETBALL

Muir's "B" basketball team, coached by Mr. Walter Smith, struggled through a disappointing season, their only league win a triple overtime 48-46 win over Crescenta Valley.

After opening the year with a loss to powerful Montebello, the Colts edged Cathedral 37-34. Muir then lost to El Monte before opening the league season with a 44-41 loss to Burbank. Roddie Cobb led Muir with 20 points, with Price Reed pumping through 15.

The Colts dropped non-league games to La Salle and South Pasadena before returning to league play with 44-32 defeat to Crescenta Valley. Price Reed paced Muir with 10 tallies. The "B's" dropped a 60-38 contest to Burroughs and were whipped by Glendale's Dynamiters 44-26. The Colts next met league-leading Hoover, losing by 68-33 at the hands of the Tornados. The Colts managed to win but one remaining league game; 48-46 over Crescenta Valley.

COACH WALTER OPP is renowned for the successful track teams at Muir. Muir is an annual powerhouse in Foothill League track.

VARSITY TRACK

The Mustang track team started the 1962 season as if it were the finest in Southern California. In their first dual meet Coach Opp's thinclads overwhelmed last year's State Champions from Centennial, surprising track experts throughout California. This was the first real test after a practice triangular meet with San Bernardino and Riverside Poly.

In league competition the Mustangs romped past Burroughs and Glendale before meeting Glendale Hoover in a much-publicized contest. Hoover's stars proved to be too much for Muir's depth as Forrest Beatty and company emerged victorious.

The remainder of the schedule was anti-climactic, as Hoover clinched the league championship. The Mustangs won the remaining meets, but had to settle for second place in the Foothill League.

ROD SHERMAN SPRINTS to the finish line of the 100 yard dash. Julius Clark gave Muir a one-two finish by placing second.

TYPICAL OF THE Mustangs' great depth was this 440 yd. dash, where Ray Sharp nipped teammate Bruce Fraser at the tape. Muir trackmen often found their closest competition on their own team.

ONE OF THE outstanding stars on the 1962 track team was Dennis Breckow, shown winning the 880 yard run at Riverside. Muir usually overpowered its opponents by utilizing great depth in every depth without relying on a few individuals.

B AND C TRACK

Both the "B" and "C" track teams dominated the Foothill League for the second straight season. The "C's," last year's Pasadena Games Champs, won the title again this year with a score of 34½ points and swept their league meets to win the League Championship. The "B's" also won their division in the Pasadena Games, and placed high in the "B" Division in the Foothill League. This exceptional track record reflects the quality of Coach Al Kauti's first season with the "B" and "C" teams.

VARSITY BASEBALL

The Muir squad, a highly spirited aggregation, showed hustle and desire throughout the season. The pitching staff was composed of returning lettermen John Mason, Ron Ainsworth, Ken Warren, Jeff Kaull and Dan Dorn from the Junior Varsity, as well as first-year man Bob Desparicio.

Dick Sellers, Ken Peralta, Bill Verner, and Dave Rubardt ably handled the outfield chores for the Mustangs. The infield consisted of Rick Baker or John Mason, when he was not pitching, at first base. Bobby Okada, one of the few returning lettermen, was the starting second baseman. Roger Bright took charge of the shortstop position and hard hitting Tom Melzer opened at third. Joel Sheldon started the season as Muir's number one catcher, but, because of knee injury, he was moved to the outfield. Dennis Noren and Ron Hansen took over this spot.

The Mustangs, coached by Pete Pappas, lost their first outing of the year to Arcadia, but came on strong with a win over Mark Keppel. After losing to South Pasadena, the diamondmen clobbered El Monte 10-3. Following a loss to tough Rosemead, Muir evened its pre-season record at 3-3 with a 6-4 conquest of La Salle.

GYMNASTICS

Although the John Muir matmen were not too successful in 1962, several outstanding gymnasts emerged as the season progressed. Hard work and dedication paid off for Steve Leidner when his 2.8 second effort equalled the world's record in the rope climb. Terry Sacks produced consistently fine routines in tumbling and free exercise, while Steve Perkins improved greatly in several key events. Other seniors, Chris Kirby, Ron Lloyd and Dave Meeks, also accounted for much of the point total.

Promising juniors and sophomores gained valuable experience which should boost the Mustangs to victory in 1963.

Muir's pre-season victories included conquests over South Pasadena and El Monte.

GOLF

Muir has estbalished a reputation for excellence on the golf links year after year. Under the direction of Coach Jack Booker, the golf team enjoyed another fine season. Bill Tisch, Dennis Noren, Phil Hosp, and Rick Batista formed the nucleus of the 1962 team. Muir's golfers forecasted their successful season with early victories over Hoover and Burroughs. Led by interchangeable first men Bill Tisch, Phil Hosp, juniors Tony Herman, Don Strametz, and Rick Batista, as well as sophomore Terry Komatsu, Muir's team made it clear that they were almost unrivaled on the links.

SWIMMING

John Muir's varsity swimmers, although victorious in only one of their first three league meets, showed great spirit throughout the year. The team lost to Hoover by a 84-2 score, dropped a hard-fought meet to Glendale, 63-42, but then beat Crecenta Valley by a 61-46 margin.

The squad got fine performances from many of its athletes this season. Phil Darley did a top job all year in the 100-yard free style event, and Tom Schick excelled in the 100-yard breast stroke. Dan Lauder starred in the 400-yard medley race. The team gained many points through the work of Brad Dessery in the 100-yard backstroke event and Thurston Coe in the 100-yard free style competition.

SUSAN KAROLESKI

SPORTSWOMAN OF THE YEAR

Skill alone would be reason enough for Susan Karoleski's selection as the outstanding senior girl athlete, for few senior girls can equal Susan's ability in one sport, let alone all those in which she excells: volleyball, basketball, softball, speedball, tennis, and badminton. Susan has given outstanding service as well. For three years she has been in charge of properties for the Aquacade and she has served as corresponding secretary and treasurer of the Girls' Athletic Association.

Dear Martha,

Before you read this poem
of mine
Please keep this thought
within your mind
My feelings for you
could never be told
By things of either
silver or gold

Since the time that
we first met
you've been the one I
couldn't forget
And from that moment
I'll be always known
I wanted you for my
very own

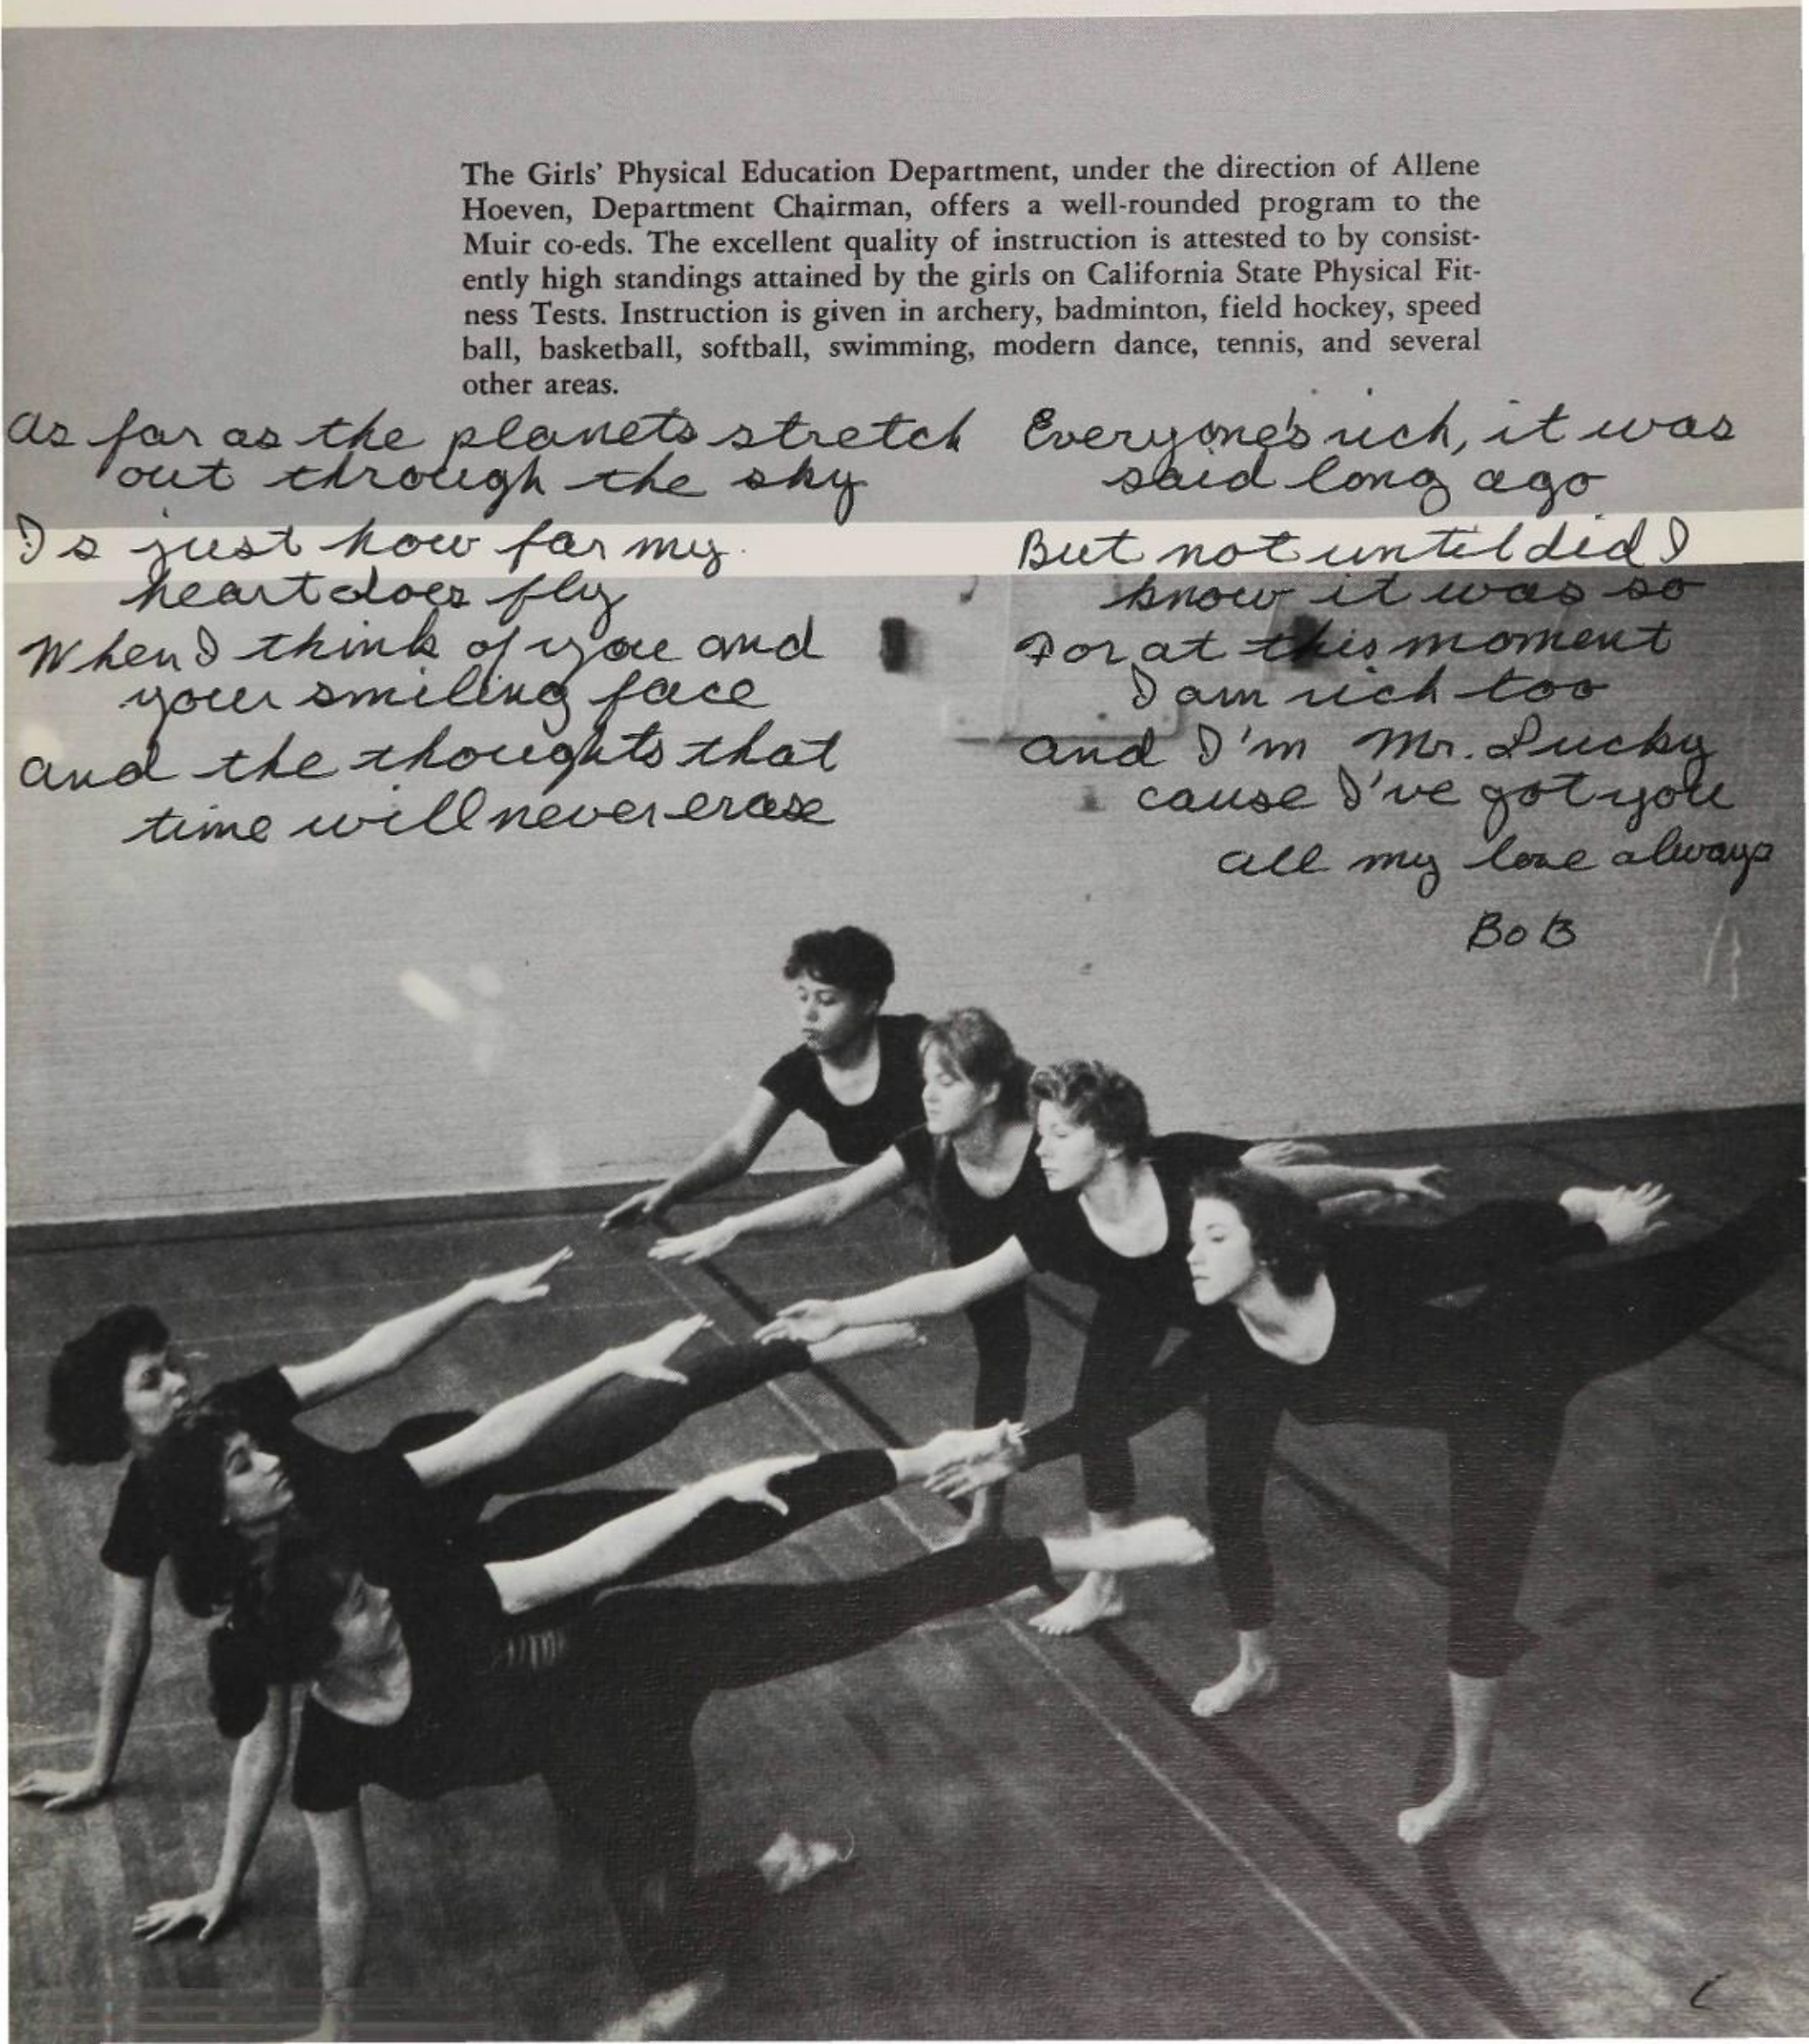
When you're walking
by my side
Things around me
seem to glide
For your sweet charm
just casts a spell
Under which my mind
does dwell

your beautiful face
is a O so bright
It lightens up the
darkest night
and the sparkle of
your pretty eyes
Makes the stars rise
in the skies

Every time I hear
your name
The thought within
me lights a flame
Which flickers on
until the time

GIRLS' SPORTS

The Girls' Physical Education Department, under the direction of Allene Hoeven, Department Chairman, offers a well-rounded program to the Muir co-eds. The excellent quality of instruction is attested to by consistently high standings attained by the girls on California State Physical Fitness Tests. Instruction is given in archery, badminton, field hockey, speed ball, basketball, softball, swimming, modern dance, tennis, and several other areas.



as far as the planets stretch
out through the sky
I'd just how far my
heart does fly
When I think of you and
your smiling face
and the thoughts that
time will never erase
Everyone's rich, it was
said long ago
But not until did I
know it was so
For at this moment
I am rich too
and I'm Mr. Lucky
cause I've got you
all my love always
Bob

TENNIS IS IMPORTANT in the Physical Education program ot Muir. Here a student practices her backhand.

AN ENTHUSIASTIC PLAYER goes for a score. Basketball has become one of the favorite sports among the girls.

SPEED'S THE THING in hocky. Here, eager opponents go for the puck.

ARCHERS NOCK ARROWS and aim for the bulls' eyes. Ready. Aim. FIRE!

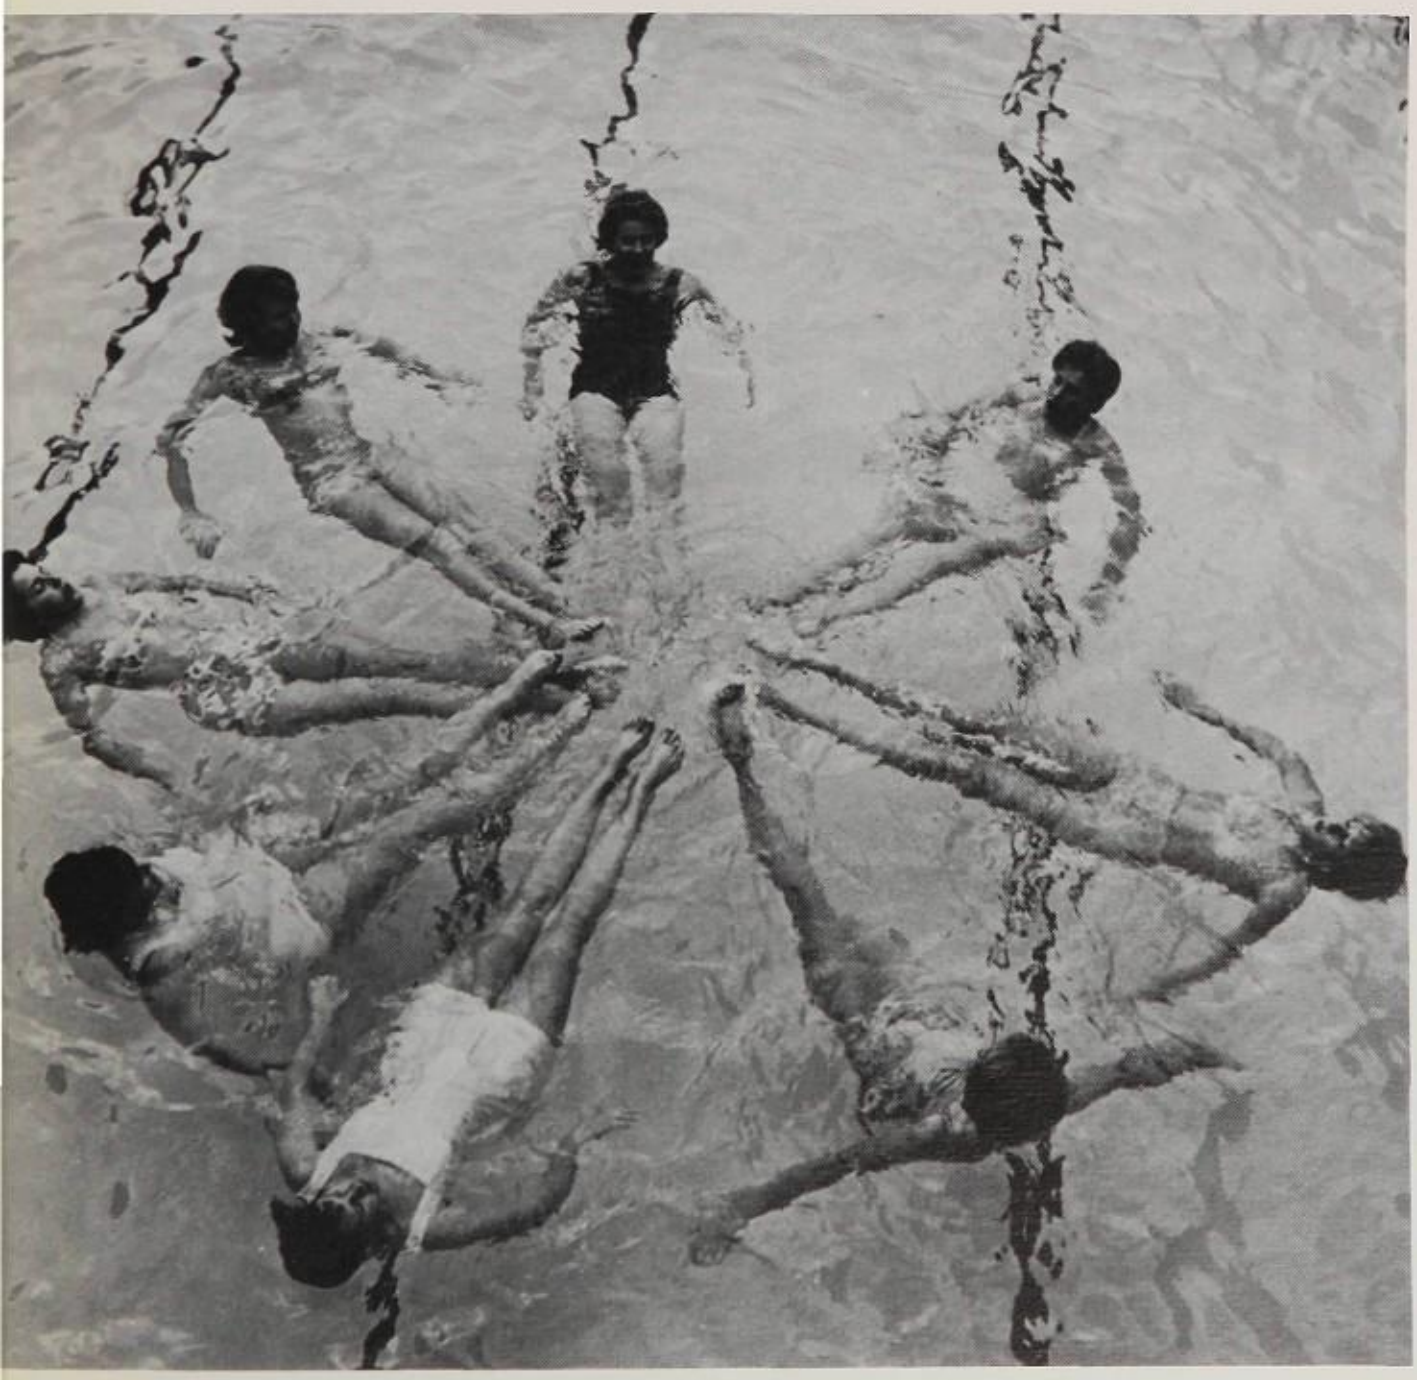
MRS. JOAN BAILEY, advisor, watches as Dry Land Committee Chairman Pam Martinek forces Student Director Nancy Reordan to sign on the dotted line.

AQUACADE

The bright lights of Broadway were reflected in the Muir Pool as the Aquacade of 1961-62 presented its versatile program "Standing Room Only" on May 18th and 19th. The enthusiastic audiences viewed numbers representing the most spectacular of Broadway's shows including "Sound of Music," "The King and I," "West Side Story," and "Gigi." To add variety Marilyn Sadler and Barbara Fay performed a duet in the number "Little Abner." Using the theme of "Carnival," Ann Fleming did a solo. Bringing the presentation to a climax was the number, "There's No Business Like Show Business," from "Annie Get Your Gun." Mrs. Joan Bailey, faculty advisor, worked with Student Directors to make this Aquacade the greatest ever presented at Muir.

PARTICIPANTS IN THE Acquacade Row 1: Chris Johnson, Cheri Frey, Barbara Morrow, Karen Goodrich, Marilynn Luskin, Carol Culbertson, Linda Chasteen, Carol Zolot, Ann Meister, Joyce Wilfong, Laurie Fiedler, Joan Criley. Row 2: Janet Wilson, Jackie Mitchell, Marilyn Sadler, Cheryl Albers, Jan Erxleben, Cynthia Heintz, Missy Rogers, Sandy Haskins, Jenny Haycox, Lorraine Gonzales, Nancy Reordan, Nancy Corcoran, Joan April, Row 3: Nancy Buchta, Barbara Fay, Jean Martin, Ginny Rockwell, Yvonne Lind, Cathy Howe, Barbara Clark, Marcia Lansburgh, Jane Mitchell, Sue Porter, Sherry Holtzclaw, Pat Johnson, Jackie Keyser, Barbie Thompson, Susy Spencer, Elaine Melikian.

DRY LAND COMMITTEE members are Row 1: Mollyanne Brewer, Toni Tingey, Sue Karoleski. Row 2: Chairman Pam Martinek, Charlene Chen, Carol Berry, Betty Betts, and Anita Smith.



WITH GRACEFUL EASE, the girls get ready for one of the many lovely formations performed in the Acquacade.

EDITOR'S NOTE

The great triumphs and the little everyday happenings of "Muir on the Move" are all between these covers of the 1962 *Hoofbeats*. The people who did these sometimes wonderful and sometimes silly things are all here, too, caught in the shutter-flash of the act itself. The staff is proud to present this book to the student body.

The editor will never forget Peggi's consternation at the early scheduling of senior pictures or how she so diligently set up the "days". The adjectives business and managing in her title were not comprehensive enough to describe all the work Julie did. Pam and her indexes. What a job! What a girl! To Dee, the Don Juan of the class, congratulations for an excellent Sports section. For layouts, balance, and artwork thanks go to veteran Hanna (unofficially called Woodsie).

Dede, Margo, Beuna, and Sue, how would we have managed without your willingness to type. Nick, life would have been dull without your many "errands". Marshall and Steve, I will never be able to open the yearbook without remembering your indignant cries of "picked chicken bones" and your labors to fill out the rewrites. To each and every member of the general staff I give my personal thanks.

To Mrs. Burns, thanks for being a great advisor. Wounded in the field of action, you came through with flying colors, crutches, and canes. In addition to breaking your knee cap falling off the editor's desk, the poor spelling of the staff also fractured your vocabulary. We all owe a debt of gratitude to those well worn dictionaries.

Mr. Ford, we owe a great deal to you and your productions class for your co-operation and work on those many rush pictures. Thank you.

To Mr. Thomas, Meyers' representative, I can only say Baskerville Italics, label heads, paste-ups, or Bodoni Bold it all came out right in the end. Thanks for your patience.

To Mr. Dunlap and Mr. Turney thanks for our "*Life Magazine*" type pictures. The sandwiches we donated were inadequate for all the extra work you did.

For work day and night before deadline I thank Jolinda and Sandra Kulli and Lynne Ludwig.

We will always remember the 1962 Hoofbeats and all those who helped make the book the highlight of our senior year.

Margaret Warne

Dear Martha,

Helping you has helped me much more than you realize. Congrats for surviving H. Horwitz, it's a real feat. Continue with math, music and AS. Don't be discouraged- you have unlimited potential. Too bad you didn't have Steinkopf — Teronian. It has been fun knowing you. I hope our friendship will continue,

Sincerely Yours,
Stephen White

Dear Martha,
It's really been wonderful knowing such a sweet and talented girl as you. I'm only sorry that we didn't meet sooner so that we could become better acquainted. You are a very talented girl, and if you keep the same attitude you've had this year, and enjoyed it, I hope the Choir will be accompanying you again next year. Good luck at the concerts. Dave wishes you the best for your future endeavors (editor)

Martha,
I'm sure glad we were in the same class together, but I wish we were in more. We both passed another year and are looking forward (??) to 11th grade. If you don't see Gary this summer, it'll be because he and I cut out for parts-unknown in our corvette. Hope to see you soon —
Don
